

## **Strengthening Teacher and Leader Effectiveness 3 Program**

### **Grantee Information:**

Grantee: **Corinth Central School District**

### **Abstract:**

#### **Overall Goals**

1. To create a network of Teacher Leaders to help district colleagues fully implement the essential elements of New York State Teaching Standards (as outlined in the NYSUT Ted Rubric)
2. To create formal Principal Leaders ladder to help the district support the implementation of the Common Core Standards, Data Driven Instruction, and Effective Teacher Evaluation in the Corinth CSD.
3. To provide professional development for Teacher and Principal Leaders to guide them in their support of teachers and leaders.

The grant will help support our capacity to implement APPR requirements as well as better support teachers (and principals) within the district. We will focus our efforts on developing career ladders, professional development, and data analysis services. Specific activities for these areas will be:

#### **Development of Career Ladder for Teachers and Principals**

- Creation of Teacher Leader Stipend
- Cover substitute costs for teachers to attend PD tied to APPR needs
- Curriculum Writing Hours

#### **Teacher Professional Development and Growth (to benefit ALL teachers in district)**

- Professional Different for teachers in areas from TED Rubric to include DI and Self-directed learning
- Purchase of Common Core Modules and Resources
- SUNY Plattsburgh Teacher Leader Program (some credits paid by district for Teacher Leaders)

## **Strengthening Teacher and Leader Effectiveness 3 Program**

### **Data Analysis of Teacher and Student Performance**

- Data Analysis Services
- Observation Protocol Training for Teacher Leaders and Principals
- Understanding Assessments and Assessment Design PD

### **Principal Professional Development and Growth**

- CASDA Mentor Coach
