

Strengthening Teacher and Leader Effectiveness 3 Program

Grantee Information:

Grantee: **Gates Chili Central School District**

Abstract:

The chart below outlines our overall goals and activities for the STLE 3 grant:

GOALS	ACTIVITIES
Enhance District curriculum and teachers' instructional practices to more strongly align to Common Core Standards.	<ul style="list-style-type: none">- Review and analyze state and local assessment data to inform curriculum enhancements and instruction practices.- Update District curriculum and local assessments to better align to new standards.- Provide professional development to support improved instructional practices aligned with the Common Core shifts
Support a smooth transition of the Elementary redistricting of attendance zones.	<ul style="list-style-type: none">- Offer training for teachers working with new populations of students.- Create and facilitate student and family transition activities.
Close the achievement gap between subgroups, specifically low income and students with disabilities compared to the general education subgroup.	<ul style="list-style-type: none">- Enhance professional development opportunities in research based instructional practices that address the needs of our at-risk students.
Create opportunities for administrators and teachers to offer workshops and in-services to District employees and parents.	<ul style="list-style-type: none">- Offer Parent workshops and in-services to develop a stronger partnership with parents.- Create more opportunities and incentives for administrators and lead teachers to facilitate professional learning for colleagues and parents.
