

## Strengthening Teacher and Leader Effectiveness 3 Program

### **Grantee Information:**

Grantee: **Greater Johnstown School District**

### **Abstract:**

The district is funding the following initiatives:

- Professional learning communities for teacher and for principals
- Creation of three rung career ladders for both principal and teachers, which have been unavailable in the district thus far.
- Mentorships program for teachers and principals
- Integrating iPad technology and professional learning communities via a blended online learning platform.

**Goal #1:** Improve teacher and principal effectiveness through participation in professional learning communities

**Goal #2:** Improve student achievement via increased pedagogical and leadership practice.

This initiative will positively impact the education professionals and all of Johnstown's students, whom they serve.
