NEW YORK STATE CURRICULUM SCAFFOLDS FOR STUDENTS WITH DISABILITIES

The New York State Education Department (“NYSED”) is seeking proposals from applicants with instructional expertise with students with disabilities to review and recommend appropriate scaffolds and to develop supplemental materials for each module in the 3-12 English Language Arts (ELA) and P-12 Math curricula to support the instruction of students with disabilities; and to ensure that the scaffolds provide appropriate and consistent recommendations across the 3-12 ELA and P-12 Math curricula modules to guide teachers to use research-based instruction, strategies and supports for students with disabilities.

The eligible applicants are: Local Education Agencies (“LEAs”); Boards of Cooperative Educational Services (“BOCES”); public or private Institutions of higher education (“IHEs”); consortium of IHE’s, provided the participating IHEs and the services to be provided by each IHE are identified in the proposal; not-for-profit and for-profit organizations, companies or agencies. Current NYSED P-12 ELA and Math curriculum development vendors are not eligible applicants. For the purposes of this RFP, an LEA is defined as a school district or a charter school.

A consortium of IHE’s is listed as an eligible applicant in the RFP. NYSED requires that there be a lead applicant on behalf of other consortium member IHE’s and that all the participating IHEs and the services to be provided by each IHE are identified in the proposal. Consortium members will not be counted against the subcontracting limit. The lead applicant will be considered the “vendor” or the “contractor” for purposes of the RFP and the resulting contract and will be responsible for the performance of the deliverables detailed in the RFP. The Project Director must be employed by the contractor during the contract period.

Subcontracting will be limited to 30% of the total contract budget. Subcontracting is defined as non-employee direct personal services and related incidental expenses, including travel. Bidders are required to comply with NYSED’s Minority and Women-Owned Business Enterprises (M/WBE) participation goals for this RFP through one of three methods. Compliance methods are discussed in detail in the Minority/Women-Owned Business Enterprise (M/WBE) section below.

NYSED will award one (1) contract with a term of approximately 10 months, anticipated to begin on September 1, 2014 and ending on June 30, 2015.

1.1 Overview of the NYS Curriculum and Scaffolds for Students with Disabilities

1.1.1 Summary

NYSED is currently developing curriculum modules aligned to the New York State P-12 Common Core Learning Standards, for English Language Arts (“ELA”) & Literacy and Mathematics. Taken together, these standards are known as the New York State P-12 Common Core Learning Standards for English Language Arts & Literacy (“NYS P-12 CCLS for ELA & Literacy”) and the New York State P-12 Common Core Learning Standards for Mathematics (“NYS P-12 CCLS for Mathematics”). These modules will support teaching and learning in Grades P-12 classrooms across New York State and provide access to sequenced, spiraled, content-rich statewide curriculum programming and instructional practices that support the attainment of the New York State P-12 Common Core Learning Standards and align to the Board of Regents’ strategic goals. The modules will also include scaffolding suggestions for students with disabilities, among other student populations, in order to ensure they have access to participate and progress in the ELA and Math curricula. For more information see: http://usny.nysed.gov/rtt/rfp/sa-06/nysed_rfp_sa-06.pdf (Section 1.3.1) and http://usny.nysed.gov/rtt/rfp-archive/sa-03/nysed_rfp_sa-03a.pdf. (Section 1.3.1). The primary purpose of this RFP is to ensure that the NYSED 3-12 ELA and P-12 math curricular modules appropriately include curricular scaffolds for students with disabilities.

1.1.2 Definition of Scaffolding and Supports for Students with Disabilities

Scaffolding is help that is “just right” and “just in time,” provided to learners so that, with the scaffold support in place, the learners can accomplish tasks they would not be able to complete alone. In addition, scaffolds allow learners to develop the knowledge, skills, or language required to support their own performance in the future. In terms of educational materials, scaffolded lessons need to be generative, that is, they should promote student autonomy over time. An important feature of pedagogical scaffolding is that it should provide students with the opportunity to engage in a novel application of ideas. Scaffolds for students with disabilities must be developmentally and age appropriate.

The term scaffolding comes from the work of Jerome Bruner, who defined it as:

A process of 'setting up' the situation to make the child's entry easy and successful and then gradually pulling back and handing the role to the child as he becomes skilled enough to manage it (1983:60). Bruner, J. (1983). *Child's Talk: Learning to Use Language*. New York: Norton.

Students with disabilities need additional supports and services, and instruction that is provided through active, explicit teaching to be able to participate and progress in the curricular content. Instruction, therefore, must be strategically planned to provide embedded scaffolds and specially designed instruction to address each student with a disability's unique needs that might impact his/her access to the curriculum, including instructional accommodations or modifications to address the content, the materials, the learning environment, teaching strategies and how students are assessed. Explicit instruction is a core and essential component of specially-designed instruction for all students with disabilities.

Explicit instruction is characterized by a series of supports or scaffolds, whereby students are guided through the learning process with clear statements about the purpose and rationale for learning the new skill, clear explanations and demonstrations of the instructional target, and supported practice with feedback until independent mastery has been achieved." (Archer, Anita L and Hughes, Charles A. Explicit Instruction: Effective and Efficient Teaching, Guildford Press, 2011). The elements of explicit instruction include:

1. Focus instruction on critical content.
2. Sequence skills logically.
3. Break down complex skills and strategies into smaller instructional units.
4. Design organized and focused lessons.
5. Begin lessons with a clear statement of the lesson's goals and your expectations.
6. Review prior skills and knowledge before beginning instruction.
7. Provide step-by-step demonstrations.
8. Use clear and concise language.
9. Provide an adequate range of examples and non-examples.
10. Provide guided and supported practice.
11. Require frequent responses.
12. Monitor student performance closely.
13. Provide immediate affirmative and corrective feedback.
14. Deliver the lesson at a brisk pace.
15. Help students organize knowledge.
16. Provide distributed and cumulative practice.

Applicants are referred to a chapter from *Explicit Instruction: Effective and Efficient Teaching* by Anita L. Archer and Charles A. Hughes (2011) for more information.

3. All vendors must adhere to NYSED's security protocols regarding the transmission of secure materials via encrypted files and the secure shipment of all materials using a carrier that has ground tracking capability. Electronic transfer via e-mail, Internet, or facsimile (FAX) of any vendor generated products is not permitted unless authorized by NYSED to do so on a case-by-case basis.
4. All materials are to be held strictly confidential and must not be copied, duplicated, or disseminated in any manner or discussed with anyone other than persons authorized by NYSED.

Payment(s) for subcontractor(s) must list the subcontractor's name(s), payment amount(s), and nature of services provided separately on the invoice submitted. Invoices with incomplete information will be returned to the vendor.
6. The vendor agrees to cooperate with, and when there is a difference of opinion, defer to NYSED, on the continual review and refinement of applicant products to ensure that all materials are uniform and coherent across all four vendors.

7. Any vendor staff travel must be in accordance with the approved NYS rates. New York State rates are available at: <http://www.gsa.gov/portal/category/21287>.

1.1.5 Minority and Women-Owned Business Enterprise (M/WBE) Compliance Requirements

MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE (M/WBE) PARTICIPATION GOALS PURSUANT TO ARTICLE 15-A OF THE NEW YORK STATE EXECUTIVE LAW

For purposes of this procurement, NYS Education Department hereby establishes an overall goal of 20% of the total contract amount for M/WBE participation, 12% for Minority-Owned Business Enterprises (“MBE”) participation and 8% for Women-Owned Business Enterprises (“WBE”) participation based on the current availability of qualified MBEs and WBEs . All bidders must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract. Minority and Women-Owned Business Enterprise (M/WBE) participation includes any and all services, materials or supplies purchased from New York State certified minority and women-owned firms. Utilization of certified Minority and Women-Owned firms will be applied toward the goals. Bidders can achieve compliance with NYSED’s Minority and Women-Owned Business Enterprise goals as described below.

ACHIEVE FULL COMPLIANCE WITH PARTICIPATION GOALS (PREFERRED)

Bidders should submit subcontracting/supplier forms that meet or exceed NYSED’s participation goals for this procurement. All subcontracting/supplier forms must be submitted with the bid proposal. In addition, bidders must complete and submit **M/WBE 100: Utilization Plan**, **M/WBE 102: Notice of Intent to Participate** and **EEO 100: Staffing Plan**. Instructions and copies of these forms are located in the Submission Documents. For additional information and a listing of currently certified M/WBEs, see <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=4687>.

The contact person on M/WBE matters is available throughout the application and procurement process to assist bidders in meeting the M/WBE goals. NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable bidders to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total cost of the bid proposal.

DOCUMENTATION OF GOOD FAITH EFFORTS

Bidders must undertake a good faith effort to solicit NYS Certified M/WBE firms as subcontractors and/or suppliers in fulfillment of this procurement. Means of solicitation may include but are not limited to: advertisements in minority centered publications; solicitation of vendors found in the NYS Directory of Certified Minority and Women-Owned Business Enterprises (<http://www.esd.ny.gov/MWBE/directorySearch.html>); and the solicitation of minority and women-oriented trade and labor organizations. Bidders will be required to certify and attest to their good faith efforts by completing NYSED's Certification of Good Faith Efforts (Form **M/WBE 105**). See the M/WBE Submission Documents for detailed examples of and required forms to document good faith efforts.

NYSED reserves the right to reject any bid for failure to document "good faith efforts" to comply with the stated M/WBE goals.

IN THE EVENT BIDDERS CANNOT COMPLY WITH NYSED DESIGNATED PARTICIPATION GOALS, SAID BIDDERS MUST DOCUMENT THEIR "GOOD FAITH EFFORTS" TO COMPLY AND SUBMIT ONE OF THE FOLLOWING REQUESTS:

Bidders should submit a request for a partial waiver (Form **M/WBE 101**) and document their Good Faith Efforts (Form **M/WBE 105**) at the same time as the bid is submitted. Bidders must also complete and submit **M/WBE 100: Utilization Plan**, **M/WBE 102: Notice of Intent to Participate** and **EEO 100: Staffing Plan**. The M/WBE Coordinator is available throughout the procurement process to assist in all areas of M/WBE compliance.

REQUEST A COMPLETE WAIVER OF PARTICIPATION GOALS

In order to request a complete waiver of the participation goals for this procurement, Bidders must provide documentation of their Good Faith Efforts to obtain the use of certified M/WBE enterprises along with their bid proposal forms. Bidders will be required to certify and attest to their good faith efforts. Bidders should submit a request for a complete waiver on Form **M/WBE 101** and document their Good Faith Efforts (Form **M/WBE 105**) at the same time as they submit their bid. The M/WBE Coordinator is available throughout the procurement process to assist in all areas of M/WBE compliance.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) must be reported to NYSED M/WBE Program Unit using **M/WBE 103** Quarterly M/WBE Compliance Report. This report must be submitted on a quarterly basis and can be found at www.oms.nysed.gov/fiscal/MWBE/forms.html

1.2 Overview

As part of the New York State Race to the Top (RTTT) initiative, NYSED is developing and implementing curriculum modules (ELA & Literacy P-12 and Mathematics P-12) toward the Common Core Learning Standards (CCLS). The primary purpose of these modules is to support systemic change in teaching and learning of standards-based curricula statewide by focusing on five key components - curriculum, instruction, assessment, professional development, and leadership - simultaneously across grade levels. Through newly developed and innovative curriculum modules, based on research, and through statewide professional development to implement curriculum modules, New York State is positioned to better prepare its students to pursue pathways to colleges and careers in a globally competitive economy. For more information see http://usny.nysed.gov/rttt/rfp/sa-06/nysed_rfp_sa-06.pdf (Section 1.3.1) and http://usny.nysed.gov/rttt/rfp-archive/sa-03/nysed_rfp_sa-03a.pdf (Section 1.3.1).

As part of this initiative, it is critical that students with disabilities have access to this curriculum and that teachers have guidance on how to provide appropriate instruction to students with disabilities; thus providing them with appropriate supports to ensure their meaningful access to participate and progress in rigorous grade level curriculum.

The NYS curriculum modules in ELA & Literacy P-12 and Mathematics P-12 are currently being developed by four different vendors: Core Knowledge (P-2 ELA), Expeditionary Learning (3-5 ELA), Public Consulting Group, Inc (6-12 ELA), Common Core Inc. (P-12 Math). However, the applicant of this RFP will be working with only three (3) of the vendors (for 3-12 ELA and P-12 Math). These modules will include:

For ELA & Literacy and Mathematics:

- curriculum maps with learning progressions
- unit overviews
- performance tasks
- lesson strategy documents that outline teacher and student actions/outcomes
- appropriate learning scaffolds (outlined for ELLs and students with disabilities, but not limited to these student sub-group populations)
- For ELA & Literacy only:
 - sample texts of grade level complexity
 - rigorous text-dependent questions to guide conversations and writing
 - research tasks
 - approach to word study is research-based
 - incorporates research based approaches for connecting quantity of reading to increased background knowledge and vocabulary
- For Mathematics only:
 - extensive problem sets
 - balance of tasks and activities
 - balance in how time is spent
 - common sense in achieving balance

There are a total of 60 modules for grades 3-12 ELA & Literacy (6 modules per grade). There are a total of 83 modules for grades P-12 Mathematics as follows:

Prekindergarten:	5 modules	Grade 6:	6 modules
Kindergarten:	6 modules	Grade 7:	6 modules
Grade 1:	6 modules	Grade 8:	7 modules
Grade 2:	8 modules	Grade 9:	5 modules
Grade 3:	7 modules	Grade 10:	5 modules
Grade 4:	7 modules	Grade 11:	4 modules
Grade 5:	6 modules	Grade 12:	5 modules

A major focus of the Common Core is on twelve “instructional shifts” needed for their effective implementation in ELA and literacy and in Mathematics. For more information on these “Common Core shifts,” see: <http://engageny.org/resource/common-core-shifts/>

1.2.1 Deliverables

The applicant must work with NYSED staff to provide deliverables in accordance with NYSED’s review process and timeline described below.

Curriculum modules are being developed in P-12 ELA and Math by four different vendors. However, the contractor of this RFP will be working with only three (3) of the vendors (for 3-12 ELA and P-12 Math). The work to be completed includes: 60 modules total in grades 3-12 ELA (six (6) curriculum modules per grade); and 83 modules total in grades P-12 math. See Section 6 definitions for an explanation of modules components.

1. **Review curriculum modules and provide a detailed report for each of the three (3) vendors, on the accessibility of the curriculum for students with disabilities, including recommendations for improving access, where necessary.**
 - a. The contractor is expected to review a sampling of existing modules of the three curriculum vendors and provide a detailed report, for each curriculum vendor, on the accessibility of the curriculum for students with disabilities, including recommendations for improving access for diverse learners including students with cognitive, learning, sensory and orthopedic disabilities, where necessary. The sampling of existing modules will be determined by NYSED. (Completed and/or drafted curriculum modules per grade and content area vary; see draft curricular maps for detailed information on the scope and sequence of curriculum module development at <http://engageny.org/resource/year-long-draft-curricular-maps-in-ela-and-mathematics/>). Note: these curricular maps may change slightly; however, this link is provided to give a sense of the scope and sequence. The documents provided by the contractor to the Department will identify strengths and weaknesses of each vendor based on the available material and make recommendations to create uniformity

and coherence across the three vendors. Each document must be no more than ten (10) pages and no less the two (2) pages in length. The documents must include scaffolding and instructional techniques for students with disabilities that are research and evidence-based, with identification of the research or evidence basis for the recommendations. The research studies must be cited with a description of their statistically significant impact on teacher practices and student outcomes and must have been conducted in the last five (5) years. In addition, the scaffolding and instructional techniques recommended must include an explanation for how the scaffolds described are aligned to the Common Core. The documents must also and at a minimum answer the following questions:

- i. Are there additional scaffolding techniques that should be integrated into the vendor's curriculum materials?
- ii. Are there any scaffolding techniques in the existing materials that are not research based and not appropriate to develop language and content for students with disabilities?
- iii. Are there any scaffolding techniques that are not fully developed, or not sufficiently described in the curriculum materials?
- iv. Are there any examples of scaffolding techniques used in the curriculum materials that are very strong that should be highlighted or recommended for other vendors?
- v. Are there any techniques or strategies that are not student with disability specific, but will work well to scaffold instruction for students with disabilities that should be highlighted for teachers of students with disabilities? (e.g., Vendor X has included strategies in sequential steps in the lessons and units, for example Unit __, page __).
- vi. Are there sufficient examples of scaffolding techniques referenced in the curriculum materials? (e.g., The vendor has provided a few examples of how to use graphic organizers to scaffold instruction for students with disabilities, but in many places there are references to the use of graphic organizers in general without specific guidance to teachers on what types of graphic organizers are appropriate for the specific lesson and examples of such graphic organizers and how to properly use them with students with disabilities).
- vii. Does the vendor's placement and format of scaffolds sufficiently indicate to teachers how to employ the techniques?

These three (3) overall documents will be due within one month of the contract start.

2. For both ELA/Literacy (3-12) and Mathematics (P-12) curricula, provide research-based supplemental guides which accompany each module of the curriculum and provide scaffolds for students with disabilities.

- a. The contractor is expected to review existing modules and those in draft form of the three curriculum vendors and provide supplemental guides for each module in grades 3-12 in ELA and P-12 Mathematics. Scaffolds should provide guidance around appropriate scaffolding for students with disabilities specific to the content of the module. The supplemental guide must also provide specific instructions for educators on how to implement the scaffolds into the existing curricular materials. These supplemental guides should be no more than fifteen (15) pages in length per module and should be no shorter than five (5) pages in length per module. Supplemental guides should include, but are not limited to, scaffolds in the following areas:
 - i. Guidance for teachers related to instructional elements of explicit instruction¹, including but not limited to:
 - Focusing instruction on critical content
 - Sequencing skills logically
 - Breaking down complex skills and strategies into smaller instructional units
 - Beginning lessons with a clear statement of the lesson's goals and teacher expectations
 - Reviewing prior skills and knowledge before beginning instruction
 - Providing step by step demonstrations
 - Using clear and concise language
 - Providing an adequate range of examples and non- examples
 - Providing guided and supported practice
 - Providing immediate affirmative and corrective feedback
 - Pacing of a lesson that is brisk but reasonable for students' thinking/processing
 - Helping students to organize knowledge, making connections apparent or explicit
 - Providing multiple opportunities to practice a skill over time

- ii. Guidance for supporting students with disabilities in the following cognitive domains, which often impact learning for students with disabilities¹:
 - Organization
 - Short term and long term memory deficits
 - Attention
 - Reasoning and abstract thinking
 - Problem solving
 - Executive functions (planning, initiating, self-monitoring)
 - Visual/auditory perceptual processes

- iii. Guidance to address characteristics of students with learning disabilities and behavioral challenges, including but not limited to:
 - *Reading* (such as confusion of similar words, difficulty using phonics, slow reading, comprehension and retention)
 - *Writing* (such as difficulty with sentence structure, vocabulary, spelling, copying from the board)
 - *Oral Language* (such as difficulty with memorizing basic facts, difficulty with expressing ideas, sequencing)
 - *Math* (such as difficulty with number concepts)
 - *Study skills* (such as poor organization and time management, difficulty following directions, organization of notes, time to complete assignments)
 - *Social skills* (such as difficulty reading facial expressions and body language, difficulty following directions, difficulty in interpreting subtle messages such as sarcasm)
 - *Behavior* (such as distractibility, low frustration tolerance and anxiety)

3. **Conduct meetings with curriculum developers regarding students with disabilities scaffolds.** At the direction of the Department, the applicant will develop agendas and materials to work with the three curriculum vendors to ensure high quality scaffolds for students with disabilities. with NYSED to conduct a total of three (3) in person meetings with the three curriculum vendors regarding scaffolds for students with disabilities. Meetings will be held in Albany or New York City, as determined by NYSED. For budgeting purposes assume each meeting will be one full day in duration.

4. **Review and provide feedback on professional development materials.** Each curriculum vendor has developed a professional development plan for including appropriate scaffolds for students with disabilities in their curriculum materials. The selected contractor for this RFP will review the professional development plans as they relate to scaffolds for students with disabilities and provide to the Department a document identifying strengths and weaknesses of each vendor and make recommendations to ensure quality, uniformity and coherence across the three vendors. The three documents (one for each vendor) must be no more than 10 pages and no less than 2 pages each and must at a minimum answer the following questions:
 - a. Does the vendor have a clear plan to train teachers on scaffolds and strategies for students with disabilities?
 - b. Does the vendor allocate sufficient time to train teachers on scaffolds for students with disabilities?
 - c. Does the vendor's scope and sequence integrate training on scaffolds for students with disabilities?
 - d. Does the vendor clearly articulate the types of scaffolds they intend to train teachers on?
 - e. Do specific scaffolding strategies articulated in the vendor's scope and sequence have a research and evidence-base?
 - f. Is the vendor's approach to professional development on scaffolds for students with disabilities aligned with research and best practice for training teachers of students with disabilities?
 - g. Are there any specific scaffolds not mentioned that (based on their content and grade bands) should be included in the training?
 - h. Are there any specific scaffolds proposed by the vendor that are not appropriate?
 - i. Based on the professional development plan, is there a need for additional training or support for teachers on how to implement scaffolds for students with disabilities?
5. **Attend meetings with NYSED staff regarding development of scaffolds across curriculum:** The vendor will work with NYSED staff to coordinate the development of scaffolds for students with disabilities across all ELA and Math curriculum. A maximum of four in-person meetings with NYSED staff will be held in Albany or New York City, as determined by NYSED. For budgeting purposes assume the face-to-face meetings will each be one full day in duration.
6. **Facilitate meetings with a group of NYS teachers of students with disabilities (including general education and special education teachers)**

and representatives of the Regional Special Education Technical Assistance Support Center (RSE-TASC) special education specialists selected by NYSED . The applicant will conduct two full day meetings with 20-30 special education and general education teachers of students with disabilities across the grade levels and continuum of special education services (e.g., special class, consultant teacher, integrated co-teachers), convened by NYSED in Albany or New York City. The applicant will be responsible for developing the agenda and providing materials. The purpose of the first meeting will be to work with the select teachers to gather input on draft curriculum that will inform the development of supplemental guides. The purpose of the second meeting will be to work with the same teachers to review draft supplemental guides.

7. The applicant will schedule and participate in a **weekly phone conference** for one hour, at a standard time every week, for the duration of the contract. The purpose will be to clarify objectives and to address issues/concerns. Project Director will also share a real time project tracker with NYSED.

The applicant will work collaboratively with designated NYSED staff to:

- 1) Provide all written materials to NYSED in Microsoft Word format.
- 2) Ensure that the work is in alignment with the work plan included in the original proposal, and that the work plan is consistent with implementation timeline as described.
- 3) Communicate regularly with NYSED and partners on the progress of program development and implementation via various modes including but not limited to: e-mail correspondence and schedule meetings as described below.

2. NYSED will review deliverable and comment within ten (10) business days.
3. Vendor will revise the deliverable to reflect (where appropriate) NYSED comments no later than five (5) business days from receipt of NYSED comments.
4. NYSED will accept the deliverable within fifteen (15) business days of the final vendor submission. If for any reason NYSED fails to accept the deliverable, the process will recommence with Step Two (2), incorporating the reasons for revision by NYSED.

Payments and Reports

Payments will be made on a monthly basis, upon receipt of an invoice and based on NYSED’s approval and acceptance of the deliverables. Vendors will be required to submit a quarterly report through the online survey system called the Monitoring & Vendor Performance System (MVPS). The MVPS captures contract status and performance objectives of Race to the Top funded projects.

Payment(s) for subcontractor(s) must list the subcontractor’s name(s), payment amount(s), and nature of services provided separately on the invoice submitted. Invoices with incomplete information will be returned to the vendor. Annual year-end reports must include data summary of services provided, and fiscal expenditures. The vendor must retain records and accounts, updated on a monthly basis, and must be able to prepare and submit statistical, narrative, and/or financial summaries related to this contract as requested by NYSED.

1.3 Subcontracting Limit

Subcontracting will be limited to thirty percent (30%) of the contract budget. Subcontracting is defined as non-employee direct personal services and related incidental expenses, including travel.

If the vendor proposes to change subcontractors during the contract period, NYSED must be notified prior to the change. NYSED reserves the right to reject any replacement subcontractors proposed by the vendor and reserves the right to approve all changes in subcontractors. The Subcontracting Form located in the Submission Documents must be updated annually and submitted to NYSED. Using this form, the vendor must also report to NYSED, on an annual basis, actual expenditures incurred for all subcontractors and indicate which subcontracting costs are associated with M/WBE.

Consultant Staff Changes

The Contractor will maintain continuity of the Consultant Team staff throughout the course of the contract. All changes in staff will be subject to NYSED approval. The replacement Consultant(s) with comparable skills will be provided at the same or lower hourly rate.

1.4 Contract Period

NYSED will award one (1) contract with a term of term anticipated to begin on September 1, 2014 and end on June 30, 2015.

At the end of any contract term otherwise provided for herein, if a replacement contract has not yet been approved in accordance with State law, any contract awarded hereunder may be extended unilaterally by the State, upon notice to the contractor, at the same terms and conditions, including all contract pricing, for a period of one month. Additionally, this extension may be for a period of up to three months with the concurrence of the contractor. However, any extension will terminate immediately upon approval of the replacement contract, except where a period for transition of contractors has been previously provided for.

1.5 Electronic Processing of Payments

In accordance with a directive dated January 22, 2010, by the Director of State Operations - Office of Taxpayer Accountability, all State agency contracts, grants, and purchase orders executed after February 28, 2010, shall contain a provision requiring that contractors and grantees accept electronic payments. Additional information and authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm.

1.6 M/WBE and Equal Employment Opportunities Requirements

M/WBE AND EQUAL EMPLOYMENT OPPORTUNITIES REQUIREMENTS CONTRACTOR REQUIREMENT AND OBLIGATION UNDER NEW YORK STATE EXECUTIVE LAW, ARTICLE 15-A (PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS)

In an effort to eradicate barriers that have historically impeded access by minority group members and women in State contracting activities, Article 15-A, of the New York State Executive Law §310-318, (Participation By Minority Group Members and Women With

Respect To State Contracts) was enacted to promote equality of economic opportunities for minority group members and women.

The New York State Education Department (“NYSED”) has enacted its policies on Equal Opportunity, Non-Discrimination and Affirmative Action, and on Minority and Women-Owned Business Enterprise Procurements, consistent with the requirements as set forth under the provisions of Article 15-A (the “Article”) incorporated by reference, requiring Contracting Agencies to implement procedures to ensure that the “Contractor” (as defined under Article 15-A, §310.3 shall mean an individual, a business enterprise, including a sole proprietorship, a partnership, a corporation, a not-for-profit corporation, or any other party to a state contract, or a bidder in conjunction with the award of a state contract or a proposed party to a state contract, complies with requirements to ensure Equal Employment Opportunities for Minority Group Members and Women, in addition to providing Opportunities for Minority and Women-Owned Business Enterprises on all covered state contracts.

In keeping with the intent of the Law, it is the expectation of the Commissioner and the responsibility of all contractors participating in and/or selected for procurement opportunities with NYSED, to fulfill their obligations to comply with the requirements of the Article and its implementing regulations.

In accordance with these requirements, the contractor hereby agrees to make every good-faith effort to promote and assist the participation of certified Minority and Women-Owned Business Enterprises (“M/WBE”) as subcontractors and suppliers on this project for the provision of services and materials in an amount at least equal to the M/WBE goal (Included in the procurement document) as a percentage of the total dollar value of this project. In addition, the contractor shall ensure the following:

- 1) All state contracts and all documents soliciting bids or proposals for state contracts contain or make reference to the following provisions:
 - a) The contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

For purposes of the Article, affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination and rate of pay or other forms of compensation.
 - b) The contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status and that such union or representative

will affirmatively cooperate in the implementation of the contractor's obligation herein.

- c) The contractor shall state in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status.
- 2) The contractor will include the provisions of subdivision one of this section in every subcontract as defined under §310.14, except as provided under §312.6 of the Article, in such a manner that the provisions will be binding upon each subcontractor as to work in connection with the State contract.
- 3) Contractors or subcontractors shall comply with the requirements of any federal law concerning equal employment opportunity, which effectuates the purpose of this section.
- 4) Contractors and subcontractors shall undertake programs of affirmative action and equal employment opportunity as required by this section². In accordance with the provision of the Article, the bidder will submit, with their proposal, Staffing Plan (EEO 100).
- 5) Certified businesses (as defined under Article 15-A, §310.1 means a business verified as a minority or women-owned business enterprise pursuant to §314 of the Article) shall be given the opportunity for meaningful participation in the performance of this contract, to actively and affirmatively promote and assist their participation in the performance of this contract, so as to facilitate the award of a fair share of this contract to such businesses³.
- 6) Contractor shall make a good faith effort to solicit active participation by enterprises identified in the Empire State Development ("ESD") directory of certified businesses, which can be viewed at: <http://www.nylovesmwbe.ny.gov>. The contractor must document its good faith efforts as set forth in 5 NYCRR 142.8. This document, Contractors Good Faith Efforts, can be found in the M/WBE Submission Documents.
- 7) Contractor shall agree, as a condition of entering into said contract, to be bound by the provisions of Article 15-A, §316.
- 8) Contractor shall include the provisions set forth in paragraphs (6) and (7) above, in every subcontract in a manner that the provisions will be binding upon each subcontractor as to work in connection with this contract.

²Notice – Contractors are provided with notice herein, NYSED may require a contractor to submit proof of an equal opportunity program after the proposal opening and prior to the award of any contract. In accordance with regulations set forth under Article 15-A §312.5, contractors and/or subcontractors will be required to submit compliance reports relating to the contractor's and/or subcontractor's program in effect as of the date the contract is executed.

³Should the contractor identify a firm that is not currently certified as an M/WBE, it should request that the firm submit a certification application to the NYSED M/WBE Program Unit by the deadline for submission of proposals for eligibility determination. NYSED will work with ESD to expedite the application, however, it is the responsibility of the contractor to ensure that a sufficient number of certified M/WBE firms have been identified in response to this procurement, in order to facilitate full M/WBE participation.

- 9) Contractor shall comply with the requirements of any federal law concerning opportunities for M/WBEs which effectuates the purpose of this section.
- 10) Contractor shall submit M/WBE Utilization Plan⁴ (M/WBE 100) as part of their proposal in response to NYSED procurement.
- 11) The percentage goals established for this RFP are based on the overall availability of M/WBEs certified in the particular areas of expertise identified under this RFP. These goals should not be construed as rigid and inflexible quotas which must be met, but as targets reasonably attainable by means of applying every good faith effort to make all aspects of the entire Minority and Women-Owned Business Program work.
- 12) Contractor shall ensure that enterprises have been identified (M/WBE 102) within the Utilization Plan, and the contractor shall attempt, in good faith, to utilize such enterprise(s) at least to the extent indicated in the plan, as to what measures and procedures contractor intends to take to comply with the provisions of the Article.
- 13) Contractor shall upon written notification from NYSED M/WBE Program Unit as to any deficiencies and required remedies thereof, the contractor, within the period of time specified, will submit compliance reports documenting remedial actions taken and other information relating to the operation and implementation of the Utilization Plan.
- 14) Where it appears that a contractor cannot, after a good faith effort, comply with the M/WBE participation requirements, contractor may file a written application with NYSED M/WBE Program Unit requesting a partial or total waiver (M/WBE 101) of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements, together with an explanation of the efforts undertaken by the contractor to obtain the required M/WBE participation.

For purposes of determining a contractor's good-faith efforts to comply with the requirements of this section or be entitled to a waiver, NYSED shall consider at the least the following:

1. Whether the contractor has advertised, in general circulation media, trade association publications, and minority-focused and women-focused media and, in such event;
2. Whether or not the certified M/WBEs which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and
3. Whether certified businesses solicited by the contractor responded in a timely fashion to the contractor's solicitations for timely competitive bid quotations prior to the contracting agency's deadline for submission of proposals.

⁴ A Utilization Plan, as defined under Article 15-A, shall mean a plan prepared by a contractor and submitted in connection with a proposed state contract. In developing the Utilization Plan bidders should consider the goals and established time frames needed to achieve results which could reasonably be expected by putting forth every good faith effort to achieve the overall prescribed M/WBE participation percentage (%) goals as set forth under the procurement.

4. Whether there has been written notification to appropriate certified M/WBEs that appear in the Empire State Development website, found at: <http://www.nylovesmwbe.ny.gov>.

All required Affirmative Action, EEO, and M/WBE forms to be submitted along with bids and/or proposals for NYSED procurements are attached hereto. These forms are to be submitted without change to goals specified in the RFP. All M/WBE firms are required to be certified by Empire State Development (ESD), or must be in the process of obtaining certification from ESD.

Failure to comply with the requirements of Article 15-A as set forth under this procurement, and in conjunction with the corresponding contract, will result in the withholding of associated funds and other enforcement proceedings set forth under Article 15-A.

3 EVALUATION CRITERIA AND METHOD OF AWARD

This section begins with the criteria the agency will use to evaluate bids, and closes with the “method of award,” or how the contractor will be selected. This will be followed by various terms and conditions that reflect the specific needs of this project, as well as New York State contract guidelines and requirements.

3.1 Criteria for Evaluating Bids

All complete proposals received by the deadline will be reviewed using the following criteria and ratings. Applicants must ensure that all components of this application request have been addressed, the required number of copies has been provided, all forms and assurances have been completed, and the original signatures are included as required.

A proposal will first be reviewed by NYSED staff to ensure that the proposal is complete, and that all of the mandatory requirements have been addressed.

An evaluation committee will complete a review of the Technical Proposals for all responsive proposals submitted. The committee will review each Technical Proposal to determine compliance with the requirements described in the RFP. The committee retains the right to determine whether any deviation from the requirements of this RFP is substantial in nature and may reject, in whole or in part, any and all proposals, waive minor irregularities, and conduct discussions with all responsible bidders.

Proposals receiving at least 60 percent (60%) of the points available for the Technical Proposal (a total of 42 out of 70 points) will move on to the next step of the process, the scoring of the cost proposal. Proposals with a score of less than 42 points in the Technical Proposal section will be eliminated from further consideration.

3.2 Technical Criteria/Proposal

70 Points

The Technical Proposal should be organized with tabs clearly labeling each section as detailed below and must include the following:

1. Technical Proposal Section I: Project Description Narrative (8 points)-- NYSED is expecting that this section should be no more than approximately 30 pages double-spaced (12 point font).

The project description narrative and supporting materials will be reviewed to determine the overall consistency of the proposal to the stated purpose and outcomes of this RFP. The bidder’s ability to complete the required end products and design and facilitate the relevant meetings within the given performance metrics timeline will be taken into consideration.

The project description narrative should include a work plan. The work plan must be clear, detailed, rational, concise and comprehensive. In the work plan, the applicant must ensure the production of applicable products specified in Section 1 of this RFP, broken out into quality work time periods. The workplan must include a detailed timeline indicating an understanding of the deliverables and the timeframes for their delivery. Because the Common Core represents a new national approach to conceptualizing education for all students, including students with disabilities, this work will require innovation from the applicant.

2. Technical Proposal Section II: Organizational Capacity (42 points)-- NYSED is expecting that this section should be no more than approximately 30 pages

- a. Describe the organization and its capacity to support this kind of innovative work (4 points). This description should provide a clear understanding of how the applicant will work with NYSED and our vendors to ensure that innovative and high quality research based scaffolds for students with disabilities are included in NYSED's 3-12 ELA & Literacy and P-12 Math Curriculum.

Note: Key staff members cannot be replaced without approval of NYSED, upon justification for the change, and must be replaced by staff with comparable experience and expertise, and at a cost equal to or less than the key staff persons identified in the applicant's proposal.
 - i. A *Project Director* must be identified. The director will be responsible for all programmatic and fiscal oversight of the deliverables and will serve as the liaison to NYSED. He/she will also be responsible for developing and updating a real-time project tracker with projected submission and completion dates. The Project Director must have demonstrated expertise in project management of large-scale product development, with a strong preference for experience in the education sector.
 - c. Expertise in instruction of students with disabilities in the general education curriculum. (10 points). The proposal must include information demonstrating the applicant's experience in developing and/or providing professional development on research-based instructional supports for students with disabilities to access, participate and progress in the general curriculum. The proposal must also include evidence of effective scaffolding and instructional techniques for students with disabilities, based on current research and evidence-based studies. Research and evidence-based studies must be cited with a description of their statistically significant impact on teacher practices for students with disabilities. Current research- and evidence-based studies shall mean conducted in the last five (5) years.

The proposal must include information demonstrating the applicant's experience with providing professional development to curriculum developers, administrators and/or teachers regarding supports for students with disabilities to access the general curriculum. The proposal must include a current example of such training, including materials presented. Current shall mean trainings conducted within the last two (2) years.
 - f. Previous Related Work (3 points). The applicant must provide a list of recipients of professional development and support, and must identify the scope of work completed. NYSED staff may not be used as references. Each reference should include the name, title, organization, address, telephone number, and email address. The dates of service and a brief summary of the services provided should be included for each reference. The vendor should ensure that contact information is current and accurate.
3. Technical Proposal Section III: Demonstrated Effectiveness (20 points)-- NYSED is expecting that the project description narrative should be no more than approximately 30 pages

The third section of the technical proposal, “Demonstrated Effectiveness”, elicits a series of work products that NYSED will use to assess the vendor’s effectiveness in the areas of scaffold development for students with disabilities specific to Common Core instruction and materials. The work products required for this proposal section are as follows:

- a. An analysis of the Grade 6 ELA Common Core exemplar “Common Core Exemplar for Middle School ELA: Narrative of the Life of Frederick Douglass,” available here: <http://engageny.org/resource/common-core-exemplar-for-middle-school-ela-narrative-of-the-life-of-frederick-douglass> . The analysis must identify areas where additional scaffolds and supports are needed for students with disabilities of all proficiency levels, the types of scaffolds that would support students with disabilities in accessing this exemplar, and a description of how the applicant would go about developing these additional scaffolds and supports. (7 points)
- b. Examples of scaffolds for students with disabilities created to support Common Core instruction. The examples must be aligned to the Common Core ELA or Math standards and provide supports for students with disabilities at all proficiency levels. The examples must also be accompanied by supportive training materials. (7 points)
- c. A one or two page description of types of scaffolds that support students with disabilities, including research-based citations, and an explanation for how the scaffolds described are aligned to the Common Core. (6 points)

3.3 Financial Criteria

30 Points

The **financial portion** of the proposal represents 30 points of the overall score and will be awarded pursuant to a formula. This calculation will be computed by the Contract Administration Unit upon completion of the technical scoring by the evaluation committee.

The submitted cost information will be awarded points, pursuant to a formula which awards the highest score of 30 points to the proposal that reflects the lowest overall cost. The remaining proposals will be awarded points based on a calculation that computes the relative difference of each proposal against the lowest cost submitted. The resulting percentage is then applied to the maximum point value of 30 points.

NYSED reserves the right to request best and final offers. In the event NYSED exercises this right, all bidders that meet the minimum technical score will be asked to provide a best and final offer. The Contract Administration Unit will recalculate the financial score.

3.4 Method of Award

The aggregate score of all the criteria listed will be calculated for each proposal received. The contract issued pursuant to this proposal will be awarded to the proposal whose aggregate technical and cost score is the highest among all the proposals rated. If NYSED exercises the right to request best and final offers, the contract must be issued to the vendor with the highest aggregate technical and financial score that results from the best and final offer. In the case of a tie score, the bidder among the tied group with the lowest cost will be ranked higher.

3.5 NYSED’s Reservation of Rights

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency’s sole discretion; (3) make an award under the RFP, in

whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the State's investigation of a bidder's qualifications, experience, ability, or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the State; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an bidder's proposal and/or to determine a bidder's compliance with the requirements of the solicitation; (16) to request best and final offers.

3.6 Post Selection Procedures

Upon selection, the successful bidder will receive a proposed contract from NYSED. All terms set forth in the selected bidder's technical proposal will be final. The selected bidder may be given an opportunity to reduce its cost proposal in accordance with the agency's right to negotiate a final best price. The contents of this RFP, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

3.7 Debriefing Procedures

All unsuccessful applicants may request a debriefing within five (5) business days of receiving a notice of non-award from NYSED. Applicants may request a debriefing letter on the selection process regarding this RFP by submitting a written request to the Fiscal Contact person at:

NYS Education Department
Contract Administration Unit
89 Washington Avenue
Room 505W EB
Albany, NY 12234

The Fiscal Contact person will make arrangements with program staff to provide a written summary of the proposal's strengths and weaknesses, as well as recommendations for improvement. Within ten (10) business days of receipt of the request, the program staff will issue a written debriefing letter to the applicant.

3.8 Contract Award Protest Procedures

Applicants who receive a notice of non-award may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.

2. The protest must be filed within ten (10) business days of receipt of a debriefing letter, or ten (10) business days of receipt of the notice of non-award, whichever is later. The protest letter must be filed with:
NYS Education Department
Contract Administration Unit
89 Washington Avenue
Room 501W EB
Albany, NY 12234
3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review team's decision within seven (7) business days of receipt of the protest. The original protest and decision will be filed with the OSC when the contract procurement record is submitted for approval and the CAU will advise the OSC that a protest was filed.
4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

3.9 Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. For a complete list, see:

http://www.osc.state.ny.us/vendrep/resources_docreq_agency.htm.

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/vendor_index.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ciohelpdesk@osc.state.ny.us.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed \$100,000 over the life of the contract

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).

3.10 PROCUREMENT LOBBYING LAW

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department (“NYSED”) and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at the following web link: <http://www.oms.nysed.gov/fiscal/cau/PLL/procurementpolicy.htm>

3.11 Consultant Disclosure Legislation

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor's Planned Employment From Contract Start Date Through the End of the Contract Term (Form A - see link below). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information ***prospectively from the start date of the contract through the end of the contract term.***

Form A: <http://www.osc.state.ny.us/agencies/gbull/g226forma.doc>

Please note that although this form is not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the form listed above is acceptable.

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State Consultant Services Contractor's Annual Employment Report (Form B - see link below) is to be used to report the information for all procurement contracts above \$15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, ***Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).***

Form B: <http://www.osc.state.ny.us/agencies/gbull/g226formb.doc>

For more information, please visit the OSC web site for G-Bulletin 226 at: <http://www.osc.state.ny.us/agencies/gbull/g-226.htm>.

3.12 Public Officer's Law Section 73

All bidders must comply with Public Officer's Law Section 73 (4)(a), as follows:

4. (a) No statewide elected official, state officer or employee, member of the legislature, legislative employee or political party chairman or firm or association of which such person is a member, or corporation, ten per centum or more of the stock of which is owned or controlled directly or indirectly by such person, shall (i) sell any goods or services having a value in excess of twenty-five dollars to any state agency, or (ii) contract for or provide such goods or services with or to any private entity where the power to contract, appoint or retain on behalf of such private entity is exercised, directly or indirectly, by a state agency or officer thereof, unless such goods or services are provided pursuant to an award or contract let after public notice and competitive bidding. This paragraph shall not apply to the publication of resolutions, advertisements or other legal propositions or notices in newspapers designated pursuant to law for such purpose and for which the rates are fixed pursuant to law.

(i) The term "state officer or employee" shall mean:

(i) heads of state departments and their deputies and assistants other than members of the board of regents of the university of the state of New York who receive no compensation or are compensated on a per diem basis;

(ii) officers and employees of statewide elected officials;

(iii) officers and employees of state departments, boards, bureaus, divisions, commissions, councils or other state agencies other than officers of such boards, commissions or councils who receive no compensation or are compensated on a per diem basis; and

(iv) members or directors of public authorities, other than multistate authorities, public benefit corporations and commissions at least one of whose members is appointed by the governor, who receive compensation other than on a per diem basis, and employees of such authorities, corporations and commissions.

Public Officer's Law Section 73 can be found at <http://www.nyintegrity.org/law/ethc/POL73.html>.

3.13 Payee Information Form/NYSED Substitute W-9 Form

NYSED Substitute Form W-9

Any payee/vendor/organization receiving Federal and/or State payments from NYSED must complete the NYSED Substitute Form W-9 if they are not yet registered in the Statewide Financial System centralized vendor file. This form can be found at Section 5.8.

The NYS Education Department (NYSED) is using the NYSED Substitute Form W-9 to obtain certification of a vendor's Tax Identification Number in order to facilitate a vendor's registration with the SFS centralized vendor file and to ensure accuracy of information contained therein. We ask for the information on the NYSED Substitute Form W-9 to carry out the Internal Revenue laws of the United States.

3.14 Workers' Compensation Coverage and Debarment

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

PROOF OF COVERAGE REQUIREMENTS

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12**– Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

For additional information regarding workers' compensation and disability benefits requirements, please refer to the New York State Workers' Compensation Board website at: <http://www.wcb.ny.gov/content/main/Employers/busPermits.jsp>. Alternatively, questions relating to either workers' compensation or disability benefits coverage should be directed to the NYS Workers' Compensation Board, Bureau of Compliance at (518) 486-6307.

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the forms listed above are acceptable.

3.15 Sales and Compensating Use Tax Certification (Tax Law, § 5-a)

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with OSC as the Contracting Agency within 48 hours of notification of selection for award) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect. Further information can be found at the New York State Department of Taxation and Finance’s website, available through this link: www.tax.ny.gov/pdf/publications/sales/pub223.pdf. Forms are available through these links:

- ST-220 CA: http://www.tax.ny.gov/pdf/current_forms/st/st220ca_fill_in.pdf
- ST-220 TD: http://www.tax.ny.gov/pdf/current_forms/st/st220td_fill_in.pdf

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them with their bid submissions to expedite contract execution if the bidder is awarded the contract.

STATE OF NEW YORK AGREEMENT

This AGREEMENT is hereby made by and between the People of the State of New York, acting through John B. King, Jr., Commissioner of Education of the State of New York and Chief Executive Officer of the Board of Regents of the University of the State of New York, party of the first part, hereinafter referred to as the (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X). Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.

C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (The attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A1.

E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules, regulations, policies or procedures affecting this AGREEMENT.

C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A1.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A1.

VI. Safeguards for Services and Confidentiality

A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

B. Funds provided pursuant to this AGREEMENT shall not be used for any partisan political activity, or for activities that may influence legislation or the election or defeat of any candidate for public office.

C. Information relating to individuals who may receive services pursuant to this AGREEMENT shall be maintained and used only for the purposes intended under the contract and in conformity with applicable provisions of laws and regulations, or specified in Appendix A1.

4.1 APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6.a).

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the

life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Education or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

In such event, the Commissioner or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

The Contractor's request shall itemize the non-expendable assets for which continued use is sought. The State may accept, reject or accept in part such request. If the request for continued use is allowed to any degree, it shall be conditioned upon the fact that said equipment shall continue to be used in accordance with the purposes of this agreement.

If after the State grants permission to the Contractor for "continued use" as set forth above the non-expendable assets are not used in accordance with the purposes of this agreement, the State in its discretion may elect to take title to such assets and may assert its right to possession upon thirty (30) days prior written notice by certified mail to the Contractor. Board of Regents	The governing board for the New York State Education Department.
BOCES	Acronym used throughout this RFP for Boards of Cooperative Educational Services. There are 37 BOCES in the State of New York that serve as shared service providers to the nearly 700 school districts (but not including the Big 5 city districts) in the State of New York.

Common Core State Standards (CCSS)	The standards featured on the Common Core State Standards Initiative Web site, http://www.corestandards.org/ , from which New York State has based its adoption of the NYS P-12 Common Core Learning Standards for ELA & Literacy and Mathematics.
Curriculum ELA & Literacy P-2	Curriculum includes domains of instruction organized in a Listening & Learning Strand and a Skills strand. Curriculum can be found at http://engageny.org/sites/default/files/resource/attachments/overview_of_the_core_knowledge_language_arts_program.pdf
Curriculum Module – ELA & Literacy	Curriculum modules in ELA & Literacy are intended to last one quarter of a school year, focusing on reading, writing, listening, and speaking in response to high quality texts. The four modules will sequence and scaffold content that is aligned to the Partnership for Assessment of Readiness for College and Career (PARCC) Frameworks. Each module will culminate in an end-of-module performance task, aligned to the PARCC frameworks as applicable, that demonstrates validity and enables item-level analysis. Modules may include several units and each unit may include a set of sequenced, coherent progressions of learning experiences that build knowledge and understanding of major concepts. They may also include student outcomes based on central texts of a unit, daily lesson plans, guiding questions, handouts, scaffolding strategies, and examples of proficient student work. Examples of 3-5 modules can be found at http://engageny.org/resource/network-team-institute-materials-grades-3-5-ela-curriculum-august-13-17-2012 .

Term	Definition
Curriculum Module – Math	Curriculum modules in mathematics are marked by tight topic focus, rigorous classroom reasoning, extended classroom time devoted to practice and reflection through extensive problem sets, and high expectations for mastery. Each module will culminate in an end-of-module performance task, aligned to the PARCC frameworks as applicable, that demonstrates validity and enables item-level analysis. The time required to complete a curriculum module will depend on the scope and difficulty of the mathematical content that is the focus of the module (major areas of work for a given grade level).
Curriculum Unit-ELA & Literacy (grades 6-12)	Curriculum units in ELA & Literacy are driven by central texts and are composed of coherent progressions of learning experiences that build knowledge and understanding that address specifically stated P-12 Common Core ELA & Literacy Learning Standards. Materials are designed so that the central focus of classroom time is spent on the close, sustained reading of complex texts—often taking several days of concentrated study on a short text or a passage in a longer text—including writing and conversations (speaking and listening) that center on those texts. Such reading emphasizes the particular over the general, encouraging students to read and re-read deliberately and slowly to probe and ponder the meanings of individual words and sentences, the order in which sentences unfold, and the development of ideas over the course of the text. Lastly, a curriculum unit is composed of central texts, student outcomes aligned to the NYS P-12 CCLS for ELA & Literacy (driven by a learning progression), along with a collection of daily lessons.
Explicit Instruction	Explicit instruction is characterized by a series of supports or scaffolds, whereby students are guided through the learning process with clear statements about the purpose and rationale for learning the new skill, clear explanations and demonstrations of the instructional target, and supported practice with feedback until independent mastery has been achieved.” (Archer, Anita L and Hughes, Charles A. <u>Explicit Instruction: Effective and Efficient Teaching</u> , Guildford Press, 2011).
HS	Acronym that stands for high school.
Instructional Scaffolding	<i>See “Scaffolding” below.</i>
LEA	Acronym used throughout this RFP for Local Education Agency. For the purposes of this RFP, an LEA is defined as a school district or a charter school.

For further information, see http://www.p12.nysed.gov/ciai/common_core_standards/ .
Principal or Building Principal	A principal or co-principal of a registered public school or an administrator in charge of an instructional program of a school district, charter school or a BOCES.
Scaffolding	<p>Scaffolding is help that is “just right” and “just in time,” provided to learners so that, with that support, they can accomplish tasks they would not be able to complete alone, and so that they develop the knowledge, skills, or language required to support their own performance in the future. In terms of educational materials, scaffolded lessons need to be generative, that is, they should promote student autonomy over time. An important feature of pedagogical scaffolding is that it should provide students with the opportunity to engage in a novel application of ideas</p> <p>The term scaffolding comes from the work of Jerome Bruner, who defined it as:</p> <p>A process of ‘setting up’ the situation to make the child’s entry easy and successful and then gradually pulling back and handing the role to the child as he becomes skilled enough to manage it (1983:60). Bruner, J. (1983). <i>Child’s Talk: Learning to Use Language</i>. New York: Norton.</p>
