Mary T. Kelly, Superintendent  
Amityville Union Free School District  
150 Park Avenue  
Amityville, New York 11701

Dear Superintendent Kelly:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

## Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 06/13/2016

**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**1.2) Submission Status**

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 06/13/2016

## Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

### 2.1) Assurances

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

### 2.2) Grades 4-8 ELA and Math: Assessments (Original)

#### STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance:

<https://www.engageny.org/resource/appr-3012-d>.

**Please check the boxes below.**

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

#### Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

**100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.**

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

#### 2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

**Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.**

**Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores may only be used for advisory purposes during the transition period and cannot be used for calculating transition scores and ratings during the 2015-16 through 2018-19 school years. If such assessments are selected for the original SLO and there are not remaining measures in the Student Performance category for an educator, an alternate SLO must be included for that educator here.**

## Task 4. Teacher Observation Category - Tasks 4.1-4.6

Page Last Modified: 06/13/2016

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

### 4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

### 4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components within each Domain of the Danielson rubric will be weighted equally and averaged. The Domains will then be weighted as follows for one overall score:

- Domain 1: 10%
- Domain 2: 40%
- Domain 3: 45%
- Domain 4: 5%

### 4.4) Calculating Observation Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.

- Assure that if the district is granted an annual Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 06/13/2016

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

**Appeals Process for Teachers****APPEALS PROCESS – TEACHERS**

The parties have collectively negotiated this full and complete APPR plan in accordance with New York State Education Law 3012-d for teachers covered by such regulation as set forth in the Regulations of the Board of Regents Rules.

**APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY**

Appeals of annual professional performance reviews are limited to those that rate a teacher as Ineffective or Developing only.

**WHAT MAY BE CHALLENGED IN AN APPEAL**

Appeal procedures limit the scope of appeals under Education Law §3012-d to the following subjects:

- (1) the substance of the annual professional performance review; which shall include the instance of a teacher/principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally.
- (2) the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (3) the adherence to the Commissioner's regulations, as applicable to such reviews;
- (4) compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans.

**PROHIBITION AGAINST MORE THAN ONE APPEAL**

A teacher may not file multiple appeals regarding the same performance review. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF**

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief.

**TIMEFRAME FOR FILING APPEAL**

All appeals must be submitted in writing no later than 15 calendar days of the date when the teacher formally receives and signs for his or her annual professional performance review. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review and any additional documents or materials relevant to the appeal. The performance review being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

**TIMEFRAME FOR DISTRICT RESPONSE**

Overall, within thirty (30) calendar days of receipt of an appeal, the school district must submit a detailed written response to the appeal (with an additional fifteen (15) calendar days for the superintendent if the panel's decision is not unanimous). The specific time frames for each step of the appeal are as follows:

1. The teacher must submit an appeal in writing within fifteen (15) calendar days from the date the teacher formally receives the annual composite rating.
2. The panel will be appointed within ten (10) calendar days of receipt of the written appeal from the teacher.
3. The panel will convene to review the appeal and will issue a written recommendation to the superintendent within fifteen (15) calendar days.
4. The superintendent will render a written decision within five (5) calendar days of receipt of the panel's written recommendation.
5. If the panel's decision is not unanimous, the superintendent has an additional fifteen (15) calendar days to review the appeal and render a decision.

The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The teacher initiating the appeal shall receive a copy of the response filed by the school district, and any and all additional information submitted with the response, at the same time the school district files its response.

**DECISION-MAKER ON APPEAL**

A panel composed of four individuals shall hear the initial appeal. Two panel members will represent the teachers and two members will represent the district. Such panel will be convened at no cost to the district and shall render their decision within the timeframe stipulated above, that is, fifteen (15) calendar days. The panel shall issue a written recommendation of the merits of the appeal. The review panel's written recommendation shall be forwarded to the superintendent. The superintendent will have five (5) calendar days to render a written decision based on the written recommendation of the review panel. If the panel's decision is not unanimous, the case will go to the Superintendent. In such case, the parties will agree to extend the timeframe by fifteen (15) calendar days to allow the Superintendent sufficient time to render a decision based on the merits of the case. The determination of the superintendent shall be final. The Superintendent of Schools or the superintendent's designee shall render such decision except that the same individual who was responsible for making the final rating decision may not decide an appeal. In such case, the board of education shall appoint another person to decide the appeal.

**DECISION**

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 06/13/2016

A written decision on the merits of the appeal shall be rendered no later than 30 calendar days from the date upon which the teacher filed his or her appeal, unless the panel's decision is not unanimous. If needed there will be an additional fifteen (15) calendar days added for the superintendent to render his/her decision. The appeal shall be based on a written record, comprised of the teacher's appeal papers and any documentary evidence accompanying the appeal, as well as the school district's response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the reviewer may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect or order a new evaluation if procedures have been violated. If a new evaluation is ordered, such evaluation shall be conducted in an expeditious and timely manner in accordance with the law. A copy of the decision shall be provided to the teacher and the evaluator.

**EXCLUSIVITY OF §3012-D APPEAL PROCEDURE**

"The §3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher's performance review. A teacher may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to an Annual Professional Performance Review except as otherwise authorized by law. The results of the appeal process are final and are not subject to the grievance procedure of the collective bargaining agreement, except to enforce violations of the procedural aspects of the APPR process as set forth herein.

**6.5) Assurance: Evaluators**

**Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

**Training and Certification of Lead Evaluators and Evaluators**

The District will ensure that evaluators and lead evaluators, including all impartial and independent evaluators and lead evaluators (referred to collectively as evaluators and lead evaluators for the remainder of this explanation), will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and received updated training on any changes in Education Law 3012-d and Subpart 30-3 of the Rules of the Board of Regents, regulations or applicable collective bargaining agreements. All training will be conducted by the BOCES, New York State Council of School Superintendents (LEAF) or another entity that has expertise on the State's APPR law and regulation. The training will be on a schedule, as recommended by the same. The trainings will include a process to maintain inter-rater reliability over time in accordance with guidance and protocols recommended in training for evaluators and lead evaluators. There will also be annual calibration sessions for all evaluators. The duration of any and all trainings will be ongoing and will satisfy the requirements for the training as set by the State Education Department. All evaluators and lead evaluators will be re-certified yearly and have training for at least one full day, in which the training will address all nine elements as addressed in Education Law 3012-d and Subpart 30-3 of the Rules of the Board of Regents, and all new evaluators and lead evaluators, including all impartial and independent evaluators and lead evaluators, will receive the full training, at least three full days, as required by law, also on all nine elements of Regents Rules 30-3.

The district does not have any peer observers.

**Task 7) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

**7.1) State-Provided Measures of Student Growth (Original)**

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

## 7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use

**7.4) Principals with More Than One Growth Measure (Original)**

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**7.5) Assurances**

**Please check all of the boxes below.**

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**7.6) Student Performance Subcomponent Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Page Last Modified: 06/13/2016

### Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

#### 100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

### 7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

Page Last Modified: 06/13/2016

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 9.1) Principal Practice Rubric

Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.
Multidimensional Principal Performance Rubric	(No Response)

### 9.2) Assurances

Please check all of the boxes below.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

### 9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

Each of the observable sublevels within each domain will be scored out of 4 possible points and then averaged equally for an overall score for each observable Domain. For example, in Domain 1, there are two observable sublevels. Each sublevel, Culture and Sustainability, will be scored from 1-4. These observable sublevels will be averaged equally for one score for Domain 1. The same method will be used to calculate one score for each Domain for each of the six (6) Domains. After each Domain has been scored out of 4 possible points, then the Domains will be averaged using the weightings below to calculate one overall weighted score out of 4 possible points for each school visit:

Domain	Weighting
1	5%
2	40%
3	30%
4	10%
5	10%
6	5%

**Assurances**

**Please check the boxes below.**

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.**

- Assure that if the district is granted an annual Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

**Appeals Process for Principals****APPEALS PROCESS – PRINCIPALS**

The parties have collectively negotiated this full and complete APPR plan in accordance with New York State Education Law 3012-d for principals covered by such regulation as set forth in the Regulations of the Board of Regents Rules..

**APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY**

Appeals of annual professional performance reviews are limited to those that rate a principal as Ineffective or Developing only.

**WHAT MAY BE CHALLENGED IN AN APPEAL**

Appeal procedures limit the scope of appeals under Education Law §3012-d to the following subjects:

- (1) the substance of the annual professional performance review; which shall include the instance of a teacher/principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally.
- (2) the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (3) the adherence to the Commissioner's regulations, as applicable to such reviews;
- (4) compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans.

**PROHIBITION AGAINST MORE THAN ONE APPEAL**

A principal may not file multiple appeals regarding the same performance review. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF**

In an appeal, the principal has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which the petitioner seeks relief.

**TIMEFRAME FOR FILING APPEAL**

All appeals must be submitted in writing no later than 15 calendar days of the date when the principal formally receives and signs for his or her annual professional performance review. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. When filing an appeal, the principal must submit a detailed written description of the specific areas of disagreement over his or her performance review and any additional documents or materials relevant to the appeal. The performance review being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.

**TIMEFRAME FOR DISTRICT RESPONSE**

Overall, within thirty (30) calendar days of receipt of an appeal, the school district must submit a detailed written response to the appeal (with an additional fifteen (15) calendar days for the superintendent if the panel's decision is not unanimous). The specific time frames for each step of the appeal are as follows:

1. The principal must submit an appeal in writing within fifteen (15) calendar days from the date the principal formally receives the annual composite rating.
2. The panel will be appointed within ten (10) calendar days of receipt of the written appeal from the principal.
3. The panel will convene to review the appeal and will issue a written recommendation to the superintendent within fifteen (15) calendar days.
4. The superintendent will render a written decision within five (5) calendar days of receipt of the panel's written recommendation.
5. If the panel's decision is not unanimous, the superintendent has an additional fifteen (15) calendar days to review the appeal and render a decision.

The response must include any and all additional documents or written materials specific to the point(s) of disagreement that support the school district's response and are relevant to the resolution of the appeal. Any such information that is not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district, and any and all additional information submitted with the response, at the same time the school district files its response.

**DECISION-MAKER ON APPEAL**

A panel composed of four individuals shall hear the initial appeal. Two panel members will represent the principals and two members will represent the district. Such panel will be convened at no cost to the district and shall render their decision within the timeframe stipulated above, that is, fifteen (15) calendar days. The panel shall issue a written recommendation of the merits of the appeal. The review panel's written recommendation shall be forwarded to the superintendent. The superintendent will have five (5) calendar days to render a written decision based on the written recommendation of the review panel. If the panel's decision is not unanimous, the case will go to the Superintendent. In such case, the parties will agree to extend the timeframe by fifteen (15) calendar days to allow the Superintendent sufficient time to render a decision based on the merits of the case. The determination of the superintendent shall be final. The Superintendent of Schools or the superintendent's designee shall render such decision except that the same individual who was responsible for making the final rating decision may not decide an appeal. In such case, the board of education shall appoint another person to decide the appeal.

The appeal shall be based on a written record, comprised of the principal's appeal papers and any documentary evidence accompanying the appeal, as well as the school district's response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the principal's appeal. If the appeal is sustained, the reviewer may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect or order a new evaluation if procedures have been violated. If a new evaluation is ordered, such evaluation shall be conducted in an expeditious and timely manner in accordance with the law. A copy of the decision shall be provided to the principal and the evaluator.

**EXCLUSIVITY OF §3012-D APPEAL PROCEDURE**
