Fax: (518) 473-4909

October 22, 2012

Casey Kosiorek, Superintendent
Byron-Bergen Central School District
6917 West Bergen Rd.
Bergen, NY 14416

Dear Superintendent Kosiorek:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review Plan (APPR) meets the criteria outlined in Education Law §3012-c and Subpart 30-2 of the Commissioner's Regulations and has been approved for the 2012-2013 school year. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR. If any material changes are made to your approved APPR plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-c, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the student growth subcomponent and any other measures of teacher and principal effectiveness and/or if the teacher or principal scores or ratings show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

John B. King, Jr.
Commissioner

Attachment

c: Michael A. Glover

NOTES: If your district/BOCES has provided for value-added measures (15 points vs. 20 points scale and categorization of your district/BOCES's grade configurations) in your APPR and no value-added measures are approved by the Board of Regents for a grade/subject and/or grade configuration for the 2012-13 school year, your district/BOCES will be required to revise and resubmit its APPR accordingly. Conversely, if your district/BOCES has not provided for value-added measures in your district/BOCES's APPR submission and value-added measures are approved for the 2012-13 school year, your district/BOCES will be required to revise and resubmit its APPR accordingly.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR form and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Annual Professional Performance Reviews: 2012-13

Created Monday, August 27, 2012

Updated Friday, October 19, 2012

Disclaimers

The Department will review the contents of each school district's or BOCES' APPR plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law section 3012-c and subpart 30-2 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's or BOCES' plan.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district or BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department reserves the right to request further information from the school district or BOCES, as necessary, as part of its review.

If the Department reasonably believes through investigation or otherwise that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1. SCHOOL DISTRICT INFORMATION

1.1) School District's BEDS Number : 180701040000

If this is not your BEDS Number, please enter the correct one below

180701040000

1.2) School District Name: BYRON-BERGEN CSD

If this is not your school district, please enter the correct one below

BYRON-BERGEN CSD

1.3) School Improvement Grant (SIG) Districts Only

SIG districts only: Indicate whether this APPR plan is for SIG schools only or for the entire district. Other districts and BOCES, please skip this question.

Not applicable

1.4) Award Classification

Please check if the district has applied for and/or has been awarded any of the following (if applicable):

(No response)

1.5) Assurances

Please check all of the boxes below:

1.5) Assurances Assure that the content of this form represents the district/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-c and Subpart 30-2 of the Rules of the Board of Regents	Checked
1.5) Assurances Assure that this APPR plan will be posted on the district or BOCES website by September 10, or within 10 days after approval, whichever is later	Checked
1.5) Assurances Assure that it is understood that this district/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval	Checked

1.6) Is this a first-time submission, a re-submission, or a submission of material changes to an approved APPR plan?

Re-submission to address deficiencies

1.7) Is this submission for an annual or multi-year plan?

If the plan is multi-year, please write the years that are included.

Annual (2012-13)

2. Growth on State Assessments or Comparable Measures (Teachers)

Created Monday, September 17, 2012

Updated Friday, October 12, 2012

Page 1

STATE-PROVIDED MEASURES OF STUDENT GROWTH

(25 points with an approved value-added measure)

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a value-added growth score. That score will incorporate students' academic history compared to similarly academically achieving students and will use special considerations for students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. NYSED will also provide a HEDI subcomponent rating category and score from 0 to 25 points.

While most teachers of 4-8 Common Branch, ELA and Math will have state-provided measures, some may teach other courses in addition where there is no state-provided measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score from the State for the full Growth subcomponent score of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Growth subcomponent of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See guidance for more detail on teachers with State-provided measures AND SLOs.)

Please note that if the Board of Regents does not approve a value-added measure for these grades/subjects for 2012-13, the State-provided growth measure will be used for 20 points in this subcomponent. NYSED will provide a HEDI subcomponent rating category and score from 0 to 20 points.

2.1) Assurances

Please check the boxes below:

2.1) Assurances Assure that the value-added growth score provided by NYSED will be used, where applicable.	Checked
2.1) Assurances Assure that the State-provided growth measure will be used if a value-added measure has not been approved for 2012-13.	Checked

STUDENT LEARNING OBJECTIVES AS COMPARABLE GROWTH MEASURES (20 points)

Student Learning Objectives will be the other comparable growth measures for teachers in the following grades and subjects. (Please note that for teachers with more than one grade and subject, SLOs must cover the courses taught with the largest number of students, combining sections with common assessments, until a majority of students are covered.)

For core subjects: grades 6-8 Science and Social Studies, high school English Language Arts, Math, Science, and Social Studies courses associated in 2010-11 with Regents exams or, in the future, with other State assessments, the following must be used as the evidence of student learning within the SLO:

State assessments (or Regents or Regent equivalents), *required if one exists*

If no State assessment or Regents exam exists:

District-determined assessments from list of State-approved 3rd party assessments; or

District, regional or BOCES-developed assessments provided that it is rigorous and comparable across classrooms

For other grades/subjects: district-determined assessments from options below may be used as evidence of student learning within the SLO:

State assessments, *required if one exists*

List of State-approved 3rd party assessments

District, regional, or BOCES-developed assessments provided that it is rigorous and comparable across classrooms

School- or BOCES-wide, group or team results based on State assessments

Please note: If your district or BOCES does not have grade/subject-specific teachers for one or more of the rows in questions 2.2 through 2.9, choose "Not applicable" from the drop-down box and type N/A in the assessment box. This would be appropriate if, for example, common branch teachers also teach 6th grade science and/or social studies and therefore would have State-provided growth measures, not SLOs; the district or BOCES does not have certain grades; the district does not offer a specific subject; etc.

Districts or BOCES that intend to use a district, regional, or BOCES-developed assessment must include the name, grade, and subject of the assessment. For example, a regionally-developed 7th grade Social Studies assessment would be written as follows: [INSERT SPECIFIC NAME OF REGION]-developed 7th grade Social Studies assessment.

2.2) Grades K-3 ELA

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. State assessments must be used where applicable.

	ELA	Assessment
K	District, regional, or BOCES-developed assessment	Kindergarten ELA GVEP regionally developed assessment
1	District, regional, or BOCES-developed assessment	First Grade ELA GVEP regionally developed assessment
2	District, regional, or BOCES-developed assessment	Second Grade ELA GVEP regionally developed assessment
	ELA	Assessment
3	State assessment	3rd Grade State Assessment

For K-3 ELA: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above state average for similar students (or District goals if no state test).	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet state average for similar students (or District goals if no state test).	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.3) Grades K-3 Math

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. State assessments must be used where applicable.

	Math	Assessment
K	District, regional, or BOCES-developed assessment	Kindergarten Mathematics GVEP regionally developed assessment
1	District, regional, or BOCES-developed assessment	First Grade Mathematics GVEP regionally developed assessment
2	District, regional, or BOCES-developed assessment	Second Grade Mathematics GVEP regionally developed assessment

	Math	Assessment
3	State assessment	3rd Grade State Assessment

For Grades K-3 Math: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above state average for similar students (or District goals if no state test).	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet state average for similar students (or District goals if no state test).	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.4) Grades 6-8 Science

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. State assessments must be used where available.

	Science	Assessment
6	District, regional or BOCES-developed assessment	Sixth Grade Science GVEP regionally developed assessment
7	District, regional or BOCES-developed assessment	Seventh Grade Science GVEP regionally developed assessment
8	State assessment	8th Grade State Science Assessment

For Grades 6-8 Science: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above state average for similar students (or District goals if no state test).	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet state average for similar students (or District goals if no state test).	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below state average for similar students (or District goals if no state test).	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.5) Grades 6-8 Social Studies

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. State assessments must be used where available.

	Social Studies	Assessment
6	District, regional or BOCES-developed assessment	Sixth Grade Social Studies GVEP regionally developed assessment
7	District, regional or BOCES-developed assessment	Seventh Grade Social Studies GVEP regionally developed assessment
8	District, regional or BOCES-developed assessment	Eighth Grade Social Studies GVEP regionally developed assessment

For Grades 6-8 Social Studies: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the

Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below District goals for similar students.	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.6) High School Social Studies Regents Courses

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. Regents assessments must be used where available.

Note: Additional high school social studies courses may be listed below in the "All Other Courses" section of this form.

		Assessment
Global 1	District, regional, or BOCES-developed assessment	Global 1 GVEP regionally developed assessment
Social Studies Regents Courses		Assessment
Global 2	Regents assessment	Regents assessment
American History	Regents assessment	Regents assessment

For High School Social Studies Regents Courses: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.

Ineffective (0 - 2 points) Results are well-below District goals for similar students.

Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.7) High School Science Regents Courses

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. Regents assessments must be used where available.

Note: Additional high school science courses may be listed below in the "All Other Courses" section of this form.

	Science Regents Courses	Assessment
Living Environment	Regents Assessment	Regents assessment
Earth Science	Regents Assessment	Regents assessment
Chemistry	Regents Assessment	Regents assessment
Physics	Regents Assessment	Regents assessment

For High School Science Regents Courses: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below District goals for similar students.	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.8) High School Math Regents Courses

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. Regents assessment must be used where available.

Note: Additional high school math courses may be listed below in the "All Other Courses" section of this form.

	Math Regents Courses	Assessment
Algebra 1	Regents assessment	Regents assessment
Geometry	Regents assessment	Regents assessment
Algebra 2	Regents assessment	Regents assessment

For High School Math Regents Courses: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below District goals for similar students.	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.9) High School English Language Arts

Using the drop-down boxes below, please first select the assessment that will be used for SLOs for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment. Regents assessment must be used where available. Be sure to select the English Regents assessment in at least one grade in Task 2.9 (9, 10, and/or 11).

Note: Additional high school English courses may be listed below in the "All Other Courses" section of this form.

	High School English Courses	Assessment
Grade 9 ELA	District, regional or BOCES-developed assessment	Grade 9 ELA GVEP regionally developed assessment
Grade 10 ELA	District, regional or BOCES-developed assessment	Grade 10 ELA GVEP regionally developed assessment
Grade 11 ELA	Regents assessment	NYS ELA Grade 11 Assessment

For High School English Language Arts: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.

Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below District goals for similar students.	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

2.10) All Other Courses

Fill in, as applicable, for all other teachers in additional grades/subjects that have Student Learning Objectives. If you need additional space, duplicate this form and upload (below) as an attachment to your APPR plan. You may combine into one line any groups of teachers for whom the answers in the boxes are the same including, for example, "all other teachers not named above" .

Course(s) or Subject(s)	Option	Assessment
Art	District, Regional or BOCES-developed	Art GVEP-developed Grade-specific Art assessment
General Music	District, Regional or BOCES-developed	General Music GVEP-developed Grade-specific General Music Assessment
Vocal Music	District, Regional or BOCES-developed	Vocal Music GVEP- developed Grade-specific Vocal Assessment
Instrumental Music	District, Regional or BOCES-developed	Instrumental GVEP-developed Grade-specific Instrumental Music Assessment
Physical Education	District, Regional or BOCES-developed	Physical Education GVEP-developed Grade-specific Physical Education Assessment
Library	District, Regional or BOCES-developed	Library GVEP-developed Grade-specific Library Assessment
Business	District, Regional or BOCES-developed	Business GVEP-developed Grade-specific Business Assessment
Technology	District, Regional or BOCES-developed	Technology GVEP-developed Grade-specific Technology Assessment
Family and Consumer Science	District, Regional or BOCES-developed	FACS GVEP-developed Grade-specific FACS Assessment
Health	District, Regional or BOCES-developed	Health GVEP-developed Grade-specific Health Assessment
All other teachers not named above	District, Regional or BOCES-developed	GVEP-developed Grade-specific Assessment

For all other courses, as applicable: describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to teachers based on SLO results consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 2.11, below.	Using data results from regionally developed pre-assessments, growth targets for the final assessment will be established for each individual student. Based on the number of students that meet the established growth targets, teachers will be assigned 0-20 points within the HEDI rating categories as identified on the Conversion chart for Student Learning Objectives.
---	---

Highly Effective (18 - 20 points) Results are well-above District goals for similar students.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual growth targets.
Effective (9 - 17 points) Results meet District goals for similar students.	Teachers will receive a rating of Effective when 70%-79% of students meet their individual growth targets.
Developing (3 - 8 points) Results are below District goals for similar students.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual growth targets.
Ineffective (0 - 2 points) Results are well-below District goals for similar students.	Teachers will receive a rating of Ineffective when 59% or less of the students meet their individual growth targets.

If you need additional space, upload a copy of "Form 2.10: All Other Courses" as an attachment for review. Click here for a downloadable copy of Form 2.10. (MS Word)

(No response)

2.11) HEDI Tables or Graphics

For questions 2.2 through 2.10 above, if you are using tables or other graphics to explain your general process for assigning HEDI categories, please combine all such tables or graphics into a single file, labeling each so it is clear which grades/subjects it applies to, and upload that file here.

assets/survey-uploads/5364/177908-TXEttx9bQW/APPR HEDI Conversion Chart for Student Learning Objectives (SLOs)_4.doc

2.12) Locally Developed Controls

Describe any adjustments, controls, or other special considerations that will be used in setting targets for Comparable Growth Measures, the rationale for including such factors, and the processes that will be used to mitigate potentially problematic incentives associated with the controls or adjustments.

Note: The only allowable controls or adjustments for Comparable Growth Measures are those used in State Growth measures, which include: student prior academic history, students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents.

Controls to be utilized in setting targets for comparable growth measures will be students' prior academic history. Whether students have a disability, are English language learners, or are identified as coming from poverty. Appropriate targets will be established based on prior academic achievement levels.

2.13) Teachers with more than one growth measure

If educators have more than one state-provided growth or value-added measure, those measures will be combined into one HEDI rating and score for the growth subcomponent according to a formula determined by the Commissioner. (Examples: Common branch teacher with state-provided value-added measures for both ELA and Math in 4th grades; Middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO for comparable growth (or a State-provided growth measure and an SLO for comparable growth), the measures will each earn a score from 0-20 points which Districts must weight proportionately based on the number of students in each SLO.

2.14) Assurances

Please check all of the boxes below:

2.14) Assurances Assure the application of locally developed controls will be rigorous, fair, and transparent and only those used for State Growth will be used for Comparable Growth Measures.	Checked
2.14) Assurances Assure that use of locally developed controls will not have a disparate impact on underrepresented students in accordance with applicable civil rights laws.	Checked
2.14) Assurances Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.	Checked
2.14) Assurances Assure that procedures for ensuring data accuracy and integrity are being utilized.	Checked
2.14) Assurances Assure that district will develop SLOs according to the rules established by SED (see: http://usny.nysed.gov/rttt/teachers-leaders/slo/home.html).	Checked
2.14) Assurances Assure that past academic performance and/or baseline academic data of students will be taken into account when developing an SLO.	Checked
2.14) Assurances Assure that the process for assigning points for SLOs for the Growth Subcomponent will use the narrative HEDI descriptions described in the regulations to effectively differentiate educators in ways that improve student learning and instruction.	Checked
2.14) Assurances Assure that it is possible for an educator to earn each point, including 0, for SLOs in the Growth subcomponent scoring range.	Checked
2.14) Assurances Assure that processes are in place to monitor SLOs to ensure rigor and comparability across classrooms.	Checked

3. Local Measures (Teachers)

Created Monday, September 17, 2012

Updated Friday, October 19, 2012

Page 1

Locally Selected Measures of Student Achievement or Growth

"Comparable across classrooms" means that the same locally-selected measures of student achievement or growth must be used across all classrooms in the same grade/subject in the district or BOCES.

Please note: If your district or BOCES does not have grade/subject-specific teachers for one or more of the rows in questions 3.1 through 3.11, choose "Not applicable" from the drop-down box and type N/A in the assessment box. This would be appropriate if, for example, the district does not have certain grades, the district does not offer a specific subject, etc.

Locally selected measures for common branch teachers: This form calls for locally selected measures in both ELA and math in grades typically served by common branch teachers. Districts may select local measures for common branch teachers that involve subjects other than ELA and math. Whatever local measure is selected for common branch teachers, please enter it under ELA and/or math and describe the assessment used, including the subject. Use N/A for other lines in that grade level that are served by common branch teachers. Describe the HEDI criteria for the measure in the same section where you identified the locally selected measure and assessment.

.Please note: Only one locally-selected measure is required for teachers in the same grade/subject across the district, but some districts may prefer to have more than one measure for all teachers within a grade/subject. Also note: Districts may use more than one locally-selected measure for **different** groups of teachers **within a grade/subject** if the district/BOCES verifies comparability based on Standards of Educational and Psychological Testing. This APPR form only provides space for one measure for teachers in the same grade/subject across the district. Therefore, if more than one locally-selected measure is used for all teachers in any grades or subject, districts must complete additional copies of this form and upload as attachments for review.

Districts or BOCES that intend to use a district, regional, or BOCES-developed assessment must include the name, grade, and subject of the assessment. For example, a regionally-developed 7th grade Social Studies assessment would be written as follows: [INSERT SPECIFIC NAME OF REGION]-developed 7th grade Social Studies assessment.

LOCALLY SELECTED MEASURES OF STUDENT ACHIEVEMENT FOR TEACHERS IN GRADES FOR WHICH THERE IS AN APPROVED VALUE-ADDED MEASURE (15 points)

Growth or achievement measure(s) from these options.

One or more of the following types of local measures of student growth or achievement may be used for the evaluation of teachers.

The options in the drop-down menus below are abbreviated from the following list:

Measures based on:

- 1) The change in percentage of a teacher’s students who achieve a specific level of performance as determined locally, on such assessments/examinations compared to those students’ level of performance on such assessments/examinations in the previous school year (e.g., a three percentage point increase in students earning the proficient level (three) or better performance level on the 7th grade math State assessment compared to those same students’ performance levels on the 6th grade math State assessment, or an increase in the percentage of a teacher’s students earning the advanced performance level (four) on the 4th grade ELA or math State assessments compared to those students’ performance levels on the 3rd grade ELA or math State assessments)

- 2) Teacher specific growth score computed by the Department based on the percent of the teacher’s students earning a State determined level of growth. The methodology to translate such growth into the State-established sub-component scoring ranges shall be determined locally

- 3) Teacher specific achievement or growth score computed in a manner determined locally based on a measure of student performance on the State assessments, Regents examinations and/or Department approved alternative examinations other than the measure described in subclause 1) or 2) of this clause

- 4) Student growth or achievement computed in a manner determined locally based on a State-approved 3rd party assessment

- 5) Student growth or achievement computed in a manner determined locally based on a district, regional or BOCES-developed assessment that is rigorous and comparable across classrooms

- 6) A school-wide measure of either student growth or achievement based on either:
 - (i) A State-provided student growth score covering all students in the school that took the State assessment in ELA or Math in Grades 4-8; or
 - (ii) A school-wide measure of student growth or achievement computed in a manner determined locally based on a State, State-approved 3rd party, or district, regional or BOCES developed assessment that is rigorous and comparable across classrooms.

3.1) Grades 4-8 ELA

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
4	4) State-approved 3rd party assessments	AIMSweb
5	4) State-approved 3rd party assessments	AIMSweb

6	4) State-approved 3rd party assessments	AIMSweb
7	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
8	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For Grades 4-8 ELA: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.3, below.	<p>For ELA 4th,5th and 6th Grade, teachers will Use data results from a baseline administration of AIMSweb. Achievement goals will be set for the final assessment for each individual student. Based on the number of students that meet the established achievement goal, the instructor will be assigned 15 points within the HEDI rating categories as identified on the conversion chart for local assessments. Teachers will utilize students' prior academic history and will collaborate with their principal to determine their students' achievement goal.</p> <p>For ELA 7th and 8th Grade, teachers will receive a HEDI rating based on the average of the passing percentages on the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.</p>
Highly Effective (14 - 15 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	<p>For ELA 4th,5th and 6th Grade, teachers will receive a rating of Highly Effective when 80%-100% of students meet their individual achievement goal.</p> <p>For ELA 7th and 8th Grade, teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.</p>
Effective (8- 13 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	<p>For ELA 4th,5th and 6th Grade,teachers will receive a rating of Effective when 70%-79% of students meet their individual achievement goal.</p> <p>For ELA 7th and 8th Grade, teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.</p>
Developing (3 - 7 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	<p>For ELA 4th,5th and 6th Grade, teachers will receive a rating of Developing when 60%-69% of students meet their individual achievement goal.</p> <p>For ELA 7th and 8th Grade, teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.</p>
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	For ELA 4th,5th and 6th Grade, teachers will receive a rating of Ineffective when 0%-59% of students meet their individual achievement goal.

For ELA 7th and 8th Grade, teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% or below.

3.2) Grades 4-8 Math

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
4	4) State-approved 3rd party assessments	AIMSweb
5	4) State-approved 3rd party assessments	AIMSweb
6	4) State-approved 3rd party assessments	AIMSweb
7	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
8	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For Grades 4-8 Math: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

<p>Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.3, below.</p>	<p>For Mathematics 4th,5th and 6th Grade, teachers will Use data results from a baseline administration of AIMSweb. Achievement goals will be set for the final assessment for each individual student. Based on the number of students that meet the established achievement goal, the instructor will be assigned 15 points within the HEDI rating categories as identified on the conversion chart for local assessments. Teachers will utilize students' prior academic history and will collaborate with their principal to determine their students' achievement goal.</p>
<p>Highly Effective (14 - 15 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.</p>	<p>For ELA 7th and 8th Grade, teachers will receive a HEDI rating based on the average of the passing percentages on the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.</p> <p>For Mathematics 4th,5th and 6th Grade, teachers will receive a rating of Highly Effective when 80%-100% of students meet their individual achievement goal.</p> <p>For Mathematics 7th and 8th Grade, teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.</p>

Effective (8- 13 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	For Mathematics 4th,5th and 6th Grade,teachers will recieve a rating of Effective when 70%-79% of students meet their individual achievement goal.
	For Mathematics 7th and 8th Grade, teachers will recieve a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 7 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	For Mathematics 4th,5th and 6th Grade, teachers will recieve a rating of Developing when 60%-69% of students meet their individual ahievement goal.
	For Mathematics 7th and 8th Grade, teachers will recieve a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	For Mathematics 4th,5th and 6th Grade, teachers will recieve a rating of Ineffective when 0%-59% of students meet their individual achievement goal.
	For Mathematics 7th and 8th Grade, teachers will recieve a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% or below.

3.3) HEDI Tables or Graphics

For questions 3.1 and 3.2 above, if you are using tables or other graphics to explain your general process for assigning HEDI categories, please combine all such tables or graphics into a single file, labeling each so it is clear which grades/subjects it applies to, and upload that file here.

[assets/survey-uploads/5139/178053-rhJdBgDruP/APPR HEDI Converstion Chart for locally selected measures_5.doc](#)

LOCALLY SELECTED MEASURES OF STUDENT ACHIEVEMENT FOR ALL OTHER TEACHERS (20 points)

Growth or achievement measure(s) from these options.

One or more of the following types of local measures of student growth or achievement may be used for the evaluation of teachers.

The options in the drop-down menus below are abbreviated from the following list:

Measures based on:

- 1) The change in percentage of a teacher's students who achieve a specific level of performance as determined locally, on such assessments/examinations compared to those students' level of performance on such assessments/examinations in the previous school year (e.g., a three percentage point increase in students earning the proficient level (three) or better performance level on the 7th grade math State assessment compared to those same students' performance levels on the 6th grade math State assessment, or an increase in the percentage of a teacher's students earning the advanced performance level (four) on the 4th grade ELA or math State assessments compared to those students' performance levels on the 3rd grade ELA or math State assessments)

2) Teacher specific growth score computed by the Department based on the percent of the teacher’s students earning a State determined level of growth. The methodology to translate such growth into the State-established sub-component scoring ranges shall be determined locally

3) Teacher specific achievement or growth score computed in a manner determined locally based on a measure of student performance on the State assessments, Regents examinations and/or Department approved alternative examinations other than the measure described in 1) or 2), above

4) Student growth or achievement computed in a manner determined locally based on a State-approved 3rd party assessment

5) Student growth or achievement computed in a manner determined locally based on a district, regional or BOCES-developed assessment that is rigorous and comparable across classrooms

6) A school-wide measure of either student growth or achievement based on either:

(i) A State-provided student growth score covering all students in the school that took the State assessment in ELA or Math in Grades 4-8; or

(ii) A school-wide measure of student growth or achievement computed in a manner determined locally based on a State, State-approved 3rd party, or district, regional or BOCES developed assessment that is rigorous and comparable across classrooms

7) Student Learning Objectives (only allowable for teachers in grades/subjects without a Value-Added measure for the State Growth subcomponent). Used with one of the following assessments: State, State-approved 3rd party, or a district, regional or BOCES-developed assessment that is rigorous and comparable across classrooms

3.4) Grades K-3 ELA

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
K	4) State-approved 3rd party assessments	AIMSweb
1	4) State-approved 3rd party assessments	AIMSweb
2	4) State-approved 3rd party assessments	AIMSweb
3	4) State-approved 3rd party assessments	AIMSweb

For Grades K-3 ELA: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	For ELA Kindergarten, 1st, 2nd and 3rd Grade, teachers will Use data results from a baseline administration of AIMSweb. Achievement goals will be set for the final assessment for each individual student. Based on the number of students that meet the established achievement goal, the instructor will be assigned 20 points within the HEDI rating categories as identified on the conversion chart for local assessments. Teachers will utilize students' prior academic history and will collaborate with their principal to determine their students' achievement goal.
Highly Effective (18-20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual achievement goal.
Effective (9-17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when 70%-79% of the students meet their individual achievement goal.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual achievement goal.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when 0%-59% of the students meet their individual achievement goal.

3.5) Grades K-3 Math

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
K	4) State-approved 3rd party assessments	AIMSweb
1	4) State-approved 3rd party assessments	AIMSweb
2	4) State-approved 3rd party assessments	AIMSweb
3	4) State-approved 3rd party assessments	AIMSweb

For Grades K-3 Math: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	For Mathematics Kindergarten, 1st, 2nd and 3rd Grade, teachers will Use data results from a baseline administration of AIMSweb. Achievement goals will be set for the final assessment for each individual student. Based on the number of students that meet the established achievement goal, the instructor will be assigned 20 points within the HEDI rating categories as identified on the conversion chart for local assessments. Teachers will utilize students' prior academic history and will collaborate with their principal to determine their students' achievement goal.
---	--

Highly Effective (18-20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when 80%-100% of the students meet their individual achievement goal.
Effective (9-17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when 70%-79% of the students meet their individual achievement goal.
Developing (3 - 8 points) Results are below District -or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when 60%-69% of the students meet their individual achievement goal.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when 0%-59% of the students meet their individual achievement goal.

3.6) Grades 6-8 Science

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
6	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
7	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
8	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For Grades 6-8 Science: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	Teachers will receive a HEDI rating based on the average passing rate of the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.
Highly Effective (18 - 20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9 - 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% and below.

3.7) Grades 6-8 Social Studies

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

	Locally-Selected Measure from List of Approved Measures	Assessment
6	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
7	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
8	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For Grades 6-8 Social Studies: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	Teachers will receive a HEDI rating based on the average passing rate of the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.
Highly Effective (18 - 20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9 - 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% and below.

3.8) High School Social Studies

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

Note: Additional high school social studies courses may be listed below in the "All Other Courses" section of this form.

	Locally-Selected Measure from List of Approved Measures	Assessment
Global 1	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

Global 2	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
American History	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For High School Social Studies: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	Teachers will receive a HEDI rating based on the average passing rate of the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.
Highly Effective (18 - 20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9 - 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% and below.

3.9) High School Science

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

Note: Additional high school science courses may be listed below in the "All Other Courses" section of this form.

	Locally-Selected Measure from List of Approved Measures	Assessment
Living Environment	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
Earth Science	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
Chemistry	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and

		Government
Physics	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For High School Science: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	Teachers will receive a HEDI rating based on the average passing rate of the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government.
Highly Effective (18-20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Effective (9 - 17points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% and below.

3.10) High School Math

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

Note: Additional high school math courses may be listed below in the "All Other Courses" section of this form.

	Locally-Selected Measure from List of Approved Measures	Assessment
Algebra 1	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
Geometry	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government
Algebra 2	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Environment, Comprehensive English, Global History and Geography and US History and Government

For High School Math: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the general process for assigning HEDI categories for these grades/subjects in this subcomponent. If needed, you may upload a table or graphic at 3.13, below.	Teachers will received a HEDI rating based on the average passing rate of the following Regents exams: June Alegbra, June Living Enviornment, January Comprhensive English, June Global History and Geography, and June US History and Government.
Highly Effective (18 - 20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will recieve a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9 - 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will recieve a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will recieve a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will recieve a rating of Inffective when the average passing rate for the 5 above Regents exams is 54% and below.

3.11) High School English Language Arts

Using the drop-down boxes below, select the assessment that will be used for the locally-selected measure for the grade/subject listed. Then name the specific assessment, listing the full name of the assessment.

Note: Additional high school English courses may be listed below in the "All Other Courses" section of this form.

	Locally-Selected Measure from List of Approved Measures	Assessment
Grade 9 ELA	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Enviornment, Comprehensive English, Global History and Geography and US History and Government
Grade 10 ELA	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Enviornment, Comprehensive English, Global History and Geography and US History and Government
Grade 11 ELA	6(ii) School wide measure computed locally	Regents exams in Algebra, Living Enviornment, Comprehensive English, Global History and Geography and US History and Government

For High School English Language Arts: describe the district-adopted expectations for the level of growth or achievement needed for a teacher to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a teacher to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Highly Effective (18 - 20 points) Results are well above District- or BOCES -adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Highly Effective when the average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9 - 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Effective when the average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Developing when the average passing rate for the 5 above Regents exams is between 55% and 64%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Teachers will receive a rating of Ineffective when the average passing rate for the 5 above Regents exams is 54% and below.

If you need additional space, upload a copy of "Form 3.12: All Other Courses" as an attachment for review. Click here for a downloadable copy of Form 3.12. (MS Word)

(No response)

3.13) HEDI Tables or Graphics

For questions 3.4 through 3.12 above, if you are using tables or other graphics to explain your general process for assigning HEDI categories, please combine all such tables or graphics into a single file, labeling each so it is clear which grades/subjects it applies to, and upload that file here.

assets/survey-uploads/5139/178053-y92vNseFa4/APPR HEDI Conversion Chart for locally selected measures_2.doc

3.14) Locally Developed Controls

Describe any adjustments, controls, or other special considerations that will be used in setting targets for local measures, the rationale for including such factors, and the processes that will be used to mitigate potentially problematic incentives associated with the controls or adjustments.

(No response)

3.15) Teachers with More Than One Locally Selected Measure

Describe the district's process for combining multiple locally selected measures, each scored from 0-15 or 0-20 points as applicable, into a single subcomponent HEDI category and score. Examples may include: 4th grade teacher with locally-selected measures for both ELA and Math; High School teacher with more than 1 SLO.

For AIMSweb assessment scores, we will be averaging Mathematics and English language Arts.

For the five Regents exams, we will be averaging the passing percentage from these exams weighing them by the number of students who sit for each assessment.

3.16) Assurances

Please check all of the boxes below:

3.16) Assurances | Assure the application of locally-developed controls will be rigorous, fair, and transparent. Checked

3.16) Assurances Assure that use of locally-developed controls will not have a disparate impact on underrepresented students in accordance with any applicable civil rights laws.	Checked
3.16) Assurances Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.	Checked
3.16) Assurances Assure that procedures for ensuring data accuracy and integrity are being utilized.	Checked
3.16) Assurances Assure that the process for assigning points for locally selected measures will use the narrative HEDI descriptions described in the regulations to effectively differentiate educators' performance in ways that improve student learning and instruction.	Checked
3.16) Assurances Assure that it is possible for an educator to earn each point, including 0, for the locally-selected measures subcomponent.	Checked
3.16) Assurances Assure that locally-selected measures are rigorous and comparable across all classrooms in the same grade/subject in the district.	Checked
3.16) Assurances If more than one type of locally-selected measure is used for different groups of teachers within a grade/subject, certify that the measures are comparable based on the Standards of Educational and Psychological Testing.	Checked
3.16) Assurances Assure that all locally-selected measures for a teacher are different than any measures used for the State assessment or other comparable measures subcomponent.	Checked

4. Other Measures of Effectiveness (Teachers)

Created Monday, September 17, 2012

Updated Friday, October 19, 2012

Page 1

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on NYS Teaching Standards. If your district has been granted a variance by NYSED through the variance process, select "district variance" from the menu.

The "Second Rubric" space is required for districts that have chosen an observation-only rubric (CLASS or NYSTCE) from the State-approved list.

(Note: Any district may use multiple rubrics, as long as the same rubric(s) is used for all classroom teachers in a grade/subject across the district.)

Danielson's Framework for Teaching

(No response)

4.2) Points Within Other Measures

State the number of points (if any) that will be assigned to each of the following measures, making sure that the points total 60. If you are not using a particular measure, enter 0.

This APPR form only provides one space for assigning points within other measures for teachers. If your district/BOCES prefers to assign points differently for different groups of teachers, enter the points assignment for one group of teachers below. For the other group(s) of teachers, fill out copies of this form and upload as an attachment for review.

Is the following points assignment applicable to all teachers?

Yes

If you checked "no" above, fill in the group of teachers covered (e.g., "probationary teachers"):

(No response)

Multiple (at least two) classroom observations by principal or other trained administrator, at least one of which must be unannounced [at least 31 points]	35
One or more observation(s) by trained independent evaluators	0
Observations by trained in-school peer teachers	0
Feedback from students using State-approved survey tool	0
Feedback from parents/caregivers using State-approved survey tool	0
Structured reviews of lesson plans, student portfolios and other teacher artifacts	25

If the above points assignment is not for "all teachers," fill out an additional copy of "Form 4.2: Points Within Other Measures" for each group of teachers, combine them into a single file, and upload as an attachment for review. Click here for a downloadable copy of Form 4.2. (MS Word)

(No response)

4.3) Survey Tools (if applicable)

If you indicated above that 1 or more points will be assigned to feedback using a State-approved survey tool, please check the box below:

(No response)

If the district plans to use one or more of the following surveys of P-12 students from the menu of State-approved surveys, please check all that apply. If your district has been granted a variance by NYSED through the variance process, select "district variance" from the menu. Note: As the State-approved survey lists are updated, this form will be updated with additional approved survey tools.

[SurveyTools.0] Tripod Early Elementary Student Perception Survey K-2	(No response)
[SurveyTools.1] Tripod Elementary Student Perception Survey 3-5	(No response)
[SurveyTools.2] Tripod Secondary Student Perception Survey	(No response)
[SurveyTools.3] District Variance	(No response)

4.4) Assurances

Please check all of the boxes below:

4.4) Assurances Assure that all NYS Teaching Standards not addressed in classroom observations are assessed at least once a year.	Checked
4.4) Assurances Assure that the process for assigning points for the "other measures" subcomponent will use the narrative HEDI descriptions described in the regulations to effectively differentiate educators' performance in ways that improve student learning and instruction.	Checked
4.4) Assurances Assure that it is possible for an educator to earn each point, including 0, for the "other measures" subcomponent.	Checked
4.4) Assurances Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district.	Checked

4.5) Process for Assigning Points and Determining HEDI Ratings

Describe the process for assigning points and determining HEDI ratings using the teacher practice rubric and/or any additional instruments used in the district. Include, if applicable, the process for combining results of multiple "other measures" into a single result for this subcomponent.

(35 points) of the sixty points will come from observations (30 points formal observation and 5 points from informal observation) and (25 points) will come from Artifact collection and review and goal setting.

If you are using tables or other graphics to explain your process for assigning points and determining HEDI ratings, please clearly label them, combine them into a single file, and upload that file here.

Describe the level of performance required for each of the HEDI rating categories, consistent with the narrative descriptions in the regulations for the "other measures" subcomponent. Also describe how the points available within each HEDI category will be assigned.

Highly Effective: Overall performance and results exceed NYS Teaching Standards.	The Danielson components overall score will be at the distinguished level.
Effective: Overall performance and results meet NYS Teaching Standards.	The Danielson components overall score will be at the proficient level.
Developing: Overall performance and results need improvement in order to meet NYS Teaching Standards.	The Danielson components overall score will be at the basic level.
Ineffective: Overall performance and results do not meet NYS Teaching Standards.	The Danielson components overall score will be at the unsatisfactory level.

Provide the ranges for the 60-point scoring bands.

Highly Effective	55-60
Effective	51-54
Developing	49-50
Ineffective	0-48

4.6) Observations of Probationary Teachers

Enter the minimum number of observations of each type, making sure that the number of observations "by building principal or other trained administrators" totals at least 2. If your APPR plan does not include a particular type of observation, enter 0 in that box.

By building principals or other trained administrators

5. Composite Scoring (Teachers)

Created Monday, September 17, 2012

Updated Friday, October 12, 2012

Page 1

Standards for Rating Categories

Growth or Comparable Measures

Locally-selected Measures of

growth or achievement

Other Measures of Effectiveness

(Teacher and Leader standards)

Highly

Effective

Results are well above state average for similar students (or District goals if no state test).

Results are well above District- or BOCES-adopted expectations for student growth or achievement for grade/subject.

Overall performance and results exceed NYS Teaching Standards.

Effective

Results meet state average for similar students (or District goals if no state test).

Results meet District- or BOCES-adopted expectations for student growth or achievement for grade/subject.

Overall performance and results meet NYS Teaching Standards.

Developing

Results are below state average for similar students (or District goals if no state test).

Results are below District- or BOCES-adopted expectations for student growth or achievement for grade/subject.

Overall performance and results need improvement in order to meet NYS Teaching Standards.

Ineffective

Results are well below state average for similar students (or District goals if no state test).

Results are well below District- or BOCES-adopted expectations for student growth or achievement for grade/subject.

Overall performance and results do not meet NYS Teaching Standards.

For the 2013-2014 school year and beyond, the Commissioner shall review the specific scoring ranges for each of the rating categories annually before the start of each school year and shall recommend any changes to the Board of Regents for consideration.

5.1) The 2012-13 scoring ranges for educators for whom there is no approved Value-Added measure of student growth will be:

2012-13 where there is no Value-Added measure

6. Additional Requirements - Teachers

Created Monday, September 17, 2012

Updated Friday, September 21, 2012

Page 1

6.1) Assurances -- Improvement Plans

Please check the boxes below:

6.1) Assurances -- Improvement Plans Assure that teachers who receive a Developing or Ineffective rating will receive a Teacher Improvement Plan (TIP) within 10 school days from the opening of classes in the school year following the performance year	Checked
6.1) Assurances -- Improvement Plans Assure that TIP plans shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas	Checked

6.2) Attachment: Teacher Improvement Plan Forms

As a required attachment to this APPR plan, upload the TIP forms that are used in the school district or BOCES. For a list of supported file types, go to the Resources folder (above) and click Technical Tips.

assets/survey-uploads/5265/178205-Df0w3Xx5v6/B-B Teacher Improvement Plan.doc

6.3) Appeals Process

Pursuant to Education Law section 3012-c, a teacher may only challenge the following in an appeal:

(1) the substance of the annual professional performance review

(2) the school district's or BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law section 3012-c

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's or BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law section 3012-c

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

The tenured teacher has five school days from receipt of the written rating to appeal in writing to the Superintendent. A teacher has ten school days to submit supporting documentation for appeal.

Upon receipt of the appeal, the Superintendent has ten school days to meet with the evaluator and the teacher and make a determination.

Within sixty school days from the initial filing date of the appeal, a final determination will be made by the Superintendent.

6.4) Training and Certification of Lead Evaluators and Evaluators

Describe the process by which evaluators will be trained and the process for how the district will certify and re-certify lead evaluators. Describe the process for ensuring inter-rater reliability. Describe the duration and nature of such training.

All evaluators will complete training through the Genesee Valley Educational Partnership and other neighboring BOCES, which consist of 5 to 10 full-day trainings throughout the year. In addition, review and analysis of evidence based observation writing will occur monthly in order to ensure inter-rater reliability. Lead evaluators and evaluators will utilize authentic evidence gathered during observations to practice and discuss conducting evidence based observations at in-house trainings.

All documentation of training and development will be filed in the District Office. Upon sufficient evidence of appropriate training, the Superintendent will make the recommendation for the Board of Education to certify each evaluator to conduct evaluations. The in-district activities outlined and the participation in regional meetings and trainings will be annual and documentation of training will continue for each evaluator to be recertified each year.

6.5) Assurances -- Evaluators

Please check the boxes below:

-
- Checked
-

(1) the New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable

(2) evidence-based observation techniques that are grounded in research

(3) application and use of the student growth percentile model and the value-added growth model as defined in section 30-2.2 of this Subpart

(4) application and use of the State-approved teacher or principal rubric(s) selected by the district or BOCES for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice

(5) application and use of any assessment tools that the school district or BOCES utilizes to evaluate its classroom teachers or building principals, including but not limited to, structured portfolio reviews; student, parent, teacher and/or community surveys; professional growth goals and school improvement goals, etc.

(6) application and use of any State-approved locally selected measures of student achievement used by the school district or BOCES to evaluate its teachers or principals

(7) use of the Statewide Instructional Reporting System

(8) the scoring methodology utilized by the Department and/or the district or BOCES to evaluate a teacher or principal under this Subpart, including how scores are generated for each subcomponent and the composite effectiveness score and application and use of the scoring ranges prescribed by the Commissioner for the four designated rating categories used for the teacher's or principal's overall rating and their subcomponent ratings

(9) specific considerations in evaluating teachers and principals of English language learners and students with disabilities

-
- Checked
-

6.6) Assurances -- Teachers

Please check all of the boxes below:

6.6) Assurances -- Teachers Assure the entire APPR plan will be completed for each teacher as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the classroom teacher's performance is being measured.	Checked
6.6) Assurances -- Teachers Assure that the district or BOCES will provide the teacher's score and rating on the locally selected measures subcomponent, if available, and on the other measures of teacher and principal effectiveness subcomponent for a teacher's annual professional performance review, in writing, no later than the last school day of the school year for which the teacher or principal is being measured.	Checked
6.6) Assurances -- Teachers Assure that the APPR will be put on the district website by September 10 or within 10 days after approval, whichever is later.	Checked
6.6) Assurances -- Teachers Assure that the evaluation system will be used as a significant factor for employment decisions.	Checked
6.6) Assurances -- Teachers Assure that teachers will receive timely and constructive feedback as part of the evaluation process.	Checked
6.6) Assurances -- Teachers Assure the district has appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.	Checked

6.7) Assurances -- Data

Please check all of the boxes below:

6.7) Assurances -- Data Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.	Checked
6.7) Assurances -- Data Certify that the district provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.	Checked
6.7) Assurances -- Data Assure scores for all teachers will be reported to NYSED for each subcomponent, as well as the composite rating, as per NYSED requirements.	Checked

7. Growth on State Assessments or Comparable Measures (Principals)

Created Tuesday, September 18, 2012

Updated Friday, October 12, 2012

Page 1

7.1) STATE-PROVIDED MEASURES OF STUDENT GROWTH (25 points with an approved Value-Added Measure)

For principals in buildings with Grades 4-8 ELA, Math and/or High School courses with State or Regents assessments, (or principals of programs with any of these assessments), NYSED will provide value-added measures. NYSED will also provide a HEDI subcomponent rating category and score from 0 to 25 points.

In order for a principal to receive a State-provided value-added measure, at least 30% of the students in the principal's school or program must take the applicable State or Regents assessments. This will include most schools in the State.

Value-Added measures will apply to schools or principals with the following grade configurations in this district (please list, e.g., K-5, PK-6, 6-8, 6-12, 9-12):

K-5
6-12
(No response)

7.2) Assurances -- State-Provided Measures of Student Growth

Please check the boxes below:

7.2) Assurances -- State-Provided Measures of Student Growth Assure that the value-added growth score provided by NYSED will be used, where applicable	Checked
7.2) Assurances -- State-Provided Measures of Student Growth Assure that the State-provided growth measure will be used if a value-added measure has not been approved for 2012-13	Checked

7.3) STUDENT LEARNING OBJECTIVES AS COMPARABLE GROWTH MEASURES (20 points)

Student Learning Objectives will be the other comparable growth measures for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, Math, and/or High School courses with State or Regents assessments. SLOs will be developed using the assessment covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. District-determined assessments from the options below may be used as evidence of student learning within the SLO:

State assessments, *required if one exists*

District, regional, or BOCES-developed assessments that are rigorous and comparable across classrooms

List of State-approved 3rd party assessments

First, list the school or program type this SLO applies to. Then, using the drop-down boxes below, please select the assessment that will be used for SLOs for the school/program listed. Finally, name the specific assessment listing the full name of the assessment. Districts or BOCES that intend to use a district, regional, or BOCES-developed assessment must include the name, grade, and subject of the assessment. For example, a regionally-developed 7th grade Social Studies assessment would be written as follows: [INSERT SPECIFIC NAME OF REGION]-developed 7th grade Social Studies assessment.

Please remember that State assessments must be used with SLOs if applicable to the school or program type.

School or Program Type	SLO with Assessment Option	Name of the Assessment

Describe the district-adopted expectations for the level of performance required for each HEDI rating category and the process for assigning points to principals based on SLO results, consistent with regulations and assurances in the Comparable Growth Measures subcomponent. Include any district-determined expectations for student performance.

Use this box, if needed, to describe the process for assigning HEDI categories in this subcomponent. If needed, you may upload a table or graphic below.	Not Applicable
Highly Effective (18 - 20 points) Results are well above state average for similar students (or District goals if no state test).	Not Applicable
Effective (9 - 17 points) Results meet state average for similar students (or District goals if no state test).	Not Applicable
Developing (3 - 8 points) Results are below state average for similar students (or District goals if no state test).	Not Applicable
Ineffective (0 - 2 points) Results are well below state average for similar students (or District goals if no state test).	Not Applicable

If you are using tables or other graphics to explain your process for assigning HEDI categories, please clearly label them, combine them into a single file, and upload that file here.

assets/survey-uploads/5365/178521-lha0DogRNw/APPR HEDI Conversion Chart for Student Learning Objectives (SLOs).doc

7.4) Special Considerations for Comparable Growth Measures

Describe any adjustments, controls, or other special considerations that will be used in setting targets for Comparable Growth Measures, the rationale for including such factors, and the processes that will be used to mitigate potentially problematic incentives associated with the controls or adjustments.

Note: The only allowable controls or adjustments for Comparable Growth Measures are those used in State Growth measures, which include: prior student achievement results, students with disabilities, English language learners, students in poverty, and, in the future,

any other student-, classroom-, and school-level characteristics approved by the Board of Regents.

(No response)

7.5) Principals with More Than One Growth Measure

If educators have more than one state-provided growth or value-added measure, those measures will be combined into one HEDI category and score for the growth subcomponent according to a formula determined by the Commissioner. (Examples: Principals of K-8 schools with growth measures for ELA and Math grades 4-8.)

If Principals have more than one SLO for comparable growth (or a State-provided growth measure and an SLO for comparable growth), the measures will each earn a score from 0-20 points and Districts will weight each in proportion to the number of students covered by the SLO to reach a combined score for this subcomponent.

7.6) Assurances -- Comparable Growth Measures

Please check all of the boxes below:

7.6) Assurances -- Comparable Growth Measures Assure the application of locally developed controls will be rigorous, fair, and transparent and only those used for State Growth will be used for Comparable Growth Measures.	Checked
7.6) Assurances -- Comparable Growth Measures Assure that use of locally developed controls will not have a disparate impact on underrepresented students in accordance with applicable civil rights laws.	Checked
7.6) Assurances -- Comparable Growth Measures Assure that procedures for ensuring data accuracy and integrity are being utilized.	Checked
7.6) Assurances -- Comparable Growth Measures Assure that district will develop SLOs according to the rules established by NYSED for principal SLOs: http://usny.nysed.gov/rttt/teachers-leaders/slo/home.html .	Checked
7.6) Assurances -- Comparable Growth Measures Assure that the process for assigning points for SLOs for the Growth Subcomponent will use the narrative HEDI descriptions described in the regulations to effectively differentiate educator performance in ways that improve student learning and instruction.	Checked
7.6) Assurances -- Comparable Growth Measures Assure that it is possible for a principal to earn each point, including 0, for SLOs in the Growth subcomponent scoring range.	Checked
7.6) Assurances -- Comparable Growth Measures Assure that processes are in place to monitor SLOs to ensure rigor and comparability across classrooms.	Checked

8. Local Measures (Principals)

Created Tuesday, September 18, 2012

Updated Friday, October 12, 2012

Page 1

Locally-Selected Measures of Student Achievement or Growth

Locally comparable means that the same locally-selected measures of student achievement or growth must be used for all principals in the same or similar programs or grade configurations across the district or BOCES.

Please note: only one locally-selected measure is required for principals in the same or similar programs or grade configurations, but some districts may prefer to have more than one measure for principals in the same or similar programs or grade configurations. This APPR form therefore provides space for multiple locally-selected measures for each principal in the same or similar program or grade configuration across the district. Therefore, if more than one locally-selected measure is used for all principals in the same or similar program or grade configuration, districts must complete additional copies of this form and upload as attachments for review.

Also note: districts may use more than one locally-selected measure for **different** groups of principals **within the same or similar programs or grade configurations** if the district/BOCES prove comparability based on Standards of Educational and Psychological Testing. If a district is choosing different measures for different groups of principals within the same or similar programs or grade configurations, they must complete additional copies of this form and upload as attachments for review.

8.1) LOCALLY SELECTED MEASURES OF STUDENT ACHIEVEMENT FOR PRINCIPALS WITH AN APPROVED VALUE-ADDED MEASURE (15 points)

In the table below, list all of the grade configurations used in your district or BOCES (e.g., K-5, 6-8, 9-12). Then for each grade configuration, select a local measure from the menu.

Note: Districts and BOCES may select one or more types of growth or achievement measures for each grade configuration. If you are using more than one type of local measure for the evaluation of principals in a given grade configuration, list that grade configuration multiple times. If more space is needed, duplicate this portion of the form and upload additional pages (below) as an attachment.

The options in the drop-down menus below are abbreviated from the following list:

- (a) student achievement levels on State assessments in ELA and/or Math in Grades 4-8 (e.g., percentage of students in the school whose performance levels on State assessments are proficient or advanced)
- (b) student growth or achievement on State assessments in ELA and/or Math in Grades 4-8 for students in each specific performance level (e.g., Level 1, Level 2)
- (c) student growth or achievement on State assessments in ELA and/or Math in Grades 4-8 for students with disabilities and English Language Learners in Grades 4-8

- (d) student performance on any or all of the district-wide locally selected measures approved for use in teacher evaluations
- (e) four, five and/or six-year high school graduation and/or dropout rates for principals employed in a school with high school grades
- (f) percentage of students who earn a Regents diploma with advanced designation and/or honors for principals employed in a school with high school grades
- (g) percentage of a cohort of students that achieve specified scores on Regents examinations and/or Department approved alternative examinations (including, but not limited to, Advanced Placement examinations, International Baccalaureate examinations, SAT II, etc.), for principals employed in a school with high school grades (e.g., the percentage of students in the 2009 cohort that scored at least a 3 on an Advanced Placement examination since entry into the ninth grade)
- (h) students' progress toward graduation in the school using strong predictive indicators, including but not limited to 9th and/or 10th grade credit accumulation and/or the percentage of students that pass 9th and/or 10th grade subjects most commonly associated with graduation and/or students' progress in passing the number of required Regents examinations for graduation, for principals employed in a school with high school grades

Grade Configuration	Locally-Selected Measure from List of Approved Measures	Assessment
K-5	(d) measures used by district for teacher evaluation	Average of students meeting targeted outcome with their local SLO
6-12	(d) measures used by district for teacher evaluation	Average of the passing percentages on the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and June US History and Government

Describe the district-adopted expectations for the level of growth or achievement needed for a principal to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a principal to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the process for assigning HEDI categories. If needed, you may upload a table or graphic below.	<p>The K-5 Principal will receive a HEDI rating on the percentage of students meeting their local achievement goal.</p> <p>The Jr./Sr. High School Principal will receive a HEDI rating on the Average of passing on the following regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography and June History and Government.</p>
Highly Effective (14 - 15 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	<p>The K-5 Principal will receive a rating of Highly Effective when 80%-100% of the students in his building meet their individual achievement goal.</p> <p>The Jr./Sr. High School Principal will receive a HEDI rating of Highly Effective when the average passing rate for the above regents exams is 85% or higher.</p>

Effective (8- 13 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The K-5 Principal will receive a rating of Effective when 70%-79% of students in his building meets their individual achievement goal.
Developing (3 - 7 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The Jr./Sr. High School Principal will receive a HEDI rating of Effective when the average passing rate for the above regents exams is between 65%-84%.
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The K-5 Principal will receive a rating of Developing when 60%-69% of the teachers he supervises meets their individual SLO targets.
	The Jr./Sr. High School Principal will receive a HEDI rating of Developing when the average passing rate for the above regents exams is between 55%-64%.
	The K-5 Principal will receive a rating of Ineffective when 0%-59% of the students in his building meets their achievement goal.
	The Jr./Sr. High School Principal will receive a HEDI rating of Ineffective when the average passing rate for the above regents exams is between 0%-54%.

If you need additional space, upload a copy of "Form 8.1: Locally Selected Measures for Principals with an Approved Value-Added Measure" as an attachment for review. Click here for a downloadable copy of Form 8.1. (MS Word)

(No response)

If you are using tables or other graphics to explain your process for assigning HEDI categories, please clearly label them, combine them into a single file, and upload that file here.

assets/survey-uploads/5366/178526-qBFVOWF7fC/APPR HEDI Conversion Chart for locally selected measures.doc

8.2) LOCALLY SELECTED MEASURES OF STUDENT ACHIEVEMENT FOR ALL OTHER PRINCIPALS (20 points)

In the table below, list all of the grade configurations used in your district or BOCES (e.g., K-5, 6-8, 9-12). Then for each grade configuration, select a local measure from the menu.

Note: Districts and BOCES may select one or more types of growth or achievement measures for each grade configuration. If you are using more than one type of local measure for the evaluation of principals in a given grade configuration, list that grade configuration multiple times. If more space is needed, duplicate this portion of the form and upload additional pages (below) as an attachment.

The options in the drop-down menus below are abbreviated from the following list: <!--

(a) student achievement levels on State assessments in ELA and/or Math in Grades 4-8 (e.g., percentage of students in the school whose performance levels on State assessments are proficient or advanced)

- (b) student growth or achievement on State assessments in ELA and/or Math in Grades 4-8 for students in each specific performance level (e.g., Level 1, Level 2)
- (c) student growth or achievement on State assessments in ELA and/or Math in Grades 4-8 for students with disabilities and English Language Learners in Grades 4-8
- (d) student performance on any or all of the district-wide locally selected measures approved for use in teacher evaluations
- (e) four, five and/or six-year high school graduation and/or dropout rates for principals employed in a school with high school grades
- (f) percentage of students who earn a Regents diploma with advanced designation and/or honors for principals employed in a school with high school grades
- (g) percentage of a cohort of students that achieve specified scores on Regents examinations and/or Department approved alternative examinations (including, but not limited to, Advanced Placement examinations, International Baccalaureate examinations, SAT II, etc.), for principals employed in a school with high school grades (e.g., the percentage of students in the 2009 cohort that scored at least a 3 on an Advanced Placement examination since entry into the ninth grade)
- (h) students' progress toward graduation in the school using strong predictive indicators, including but not limited to 9th and/or 10th grade credit accumulation and/or the percentage of students that pass 9th and/or 10th grade subjects most commonly associated with graduation and/or students' progress in passing the number of required Regents examinations for graduation, for principals employed in a school with high school grades
- (i) student learning objectives (only allowable for principals in programs/buildings without a Value-Added measure for the State Growth subcomponent). Used with one of the following assessments: State, State-approved 3rd party, or a District, regional, or BOCES-developed assessment that is rigorous and comparable across classrooms

Districts or BOCES that intend to use a district, regional, or BOCES-developed assessment must include the name, grade, and subject of the assessment. For example, a regionally-developed 7th grade Social Studies assessment would be written as follows: [INSERT SPECIFIC NAME OF REGION]-developed 7th grade Social Studies assessment.

Grade Configuration	Locally-Selected Measure from List of Approved Measures	Assessment

Describe the district-adopted expectations for the level of growth or achievement needed for a principal to earn each of the four HEDI rating categories and the process for assigning points within rating categories that ensures it is possible for a principal to earn any of the points in a scoring range, consistent with regulations and assurances.

Note: when completing the HEDI boxes below, it is not acceptable to just repeat the text descriptions from the regulations and/or assurances listed to the left of each box.

Use this box, if needed, to describe the process for assigning HEDI categories. If needed, you may upload a table or graphic below.	Not Applicable
Highly Effective (18 - 20 points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Not Applicable
Effective (9- 17 points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Not Applicable

Developing (3 - 8 points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Not Applicable
Ineffective (0 - 2 points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	Not Applicable

If you need additional space, upload a copy of "Form 8.2: Locally Selected Measures for All Other Principals" as an attachment for review. Click here for a downloadable copy of Form 8.2. (MS Word)

(No response)

If you are using tables or other graphics to explain your process for assigning HEDI categories, please clearly label them, combine them into a single file, and upload that file here.

(No response)

8.3) Locally Developed Controls

Describe any adjustments, controls, or other special considerations that will be used in setting targets for local measures, the rationale for including such factors, and the processes that will be used to mitigate potentially problematic incentives associated with the controls or adjustments.

(No response)

8.4) Principals with More Than One Locally Selected Measure

Describe the district's process for combining multiple locally selected measures where applicable for principals, each scored from 0-15 or 0-20 points as applicable, into a single subcomponent HEDI category and score.

For AIMSweb assessment scores, we will average the percentage of students meeting their achievement goals in ELA and the percentage of students meeting their achievement goals in Mathematics.

For the five Regents exams we will be averaging the passing percentage from these exams weighting for the number of students who sit for each exam.

8.5) Assurances

Please check all of the boxes below:

8.5) Assurances Assure that the application of locally developed controls will be rigorous, fair, and transparent	Check
8.5) Assurances Assure that use of locally developed controls will not have a disparate impact on underrepresented students, in accordance with any applicable civil rights laws.	Check
8.5) Assurances Assure that enrolled students are included in accordance with policies for student assignment to schools and may not be excluded.	Check
8.5) Assurances Assure that procedures for ensuring data accuracy and integrity are being utilized.	Check
8.5) Assurances Assure that the process for assigning points for locally selected measures will use the narrative HEDI descriptions described in the regulations to effectively differentiate principals' performance in ways that improve student learning and instruction.	Check

8.5) Assurances Assure that it is possible for a principal to earn each point, including 0, for the locally selected measures subcomponent.	Check
8.5) Assurances Assure that locally-selected measures are rigorous and comparable across all principals in the same or similar programs or grade configurations across the district.	Check
8.5) Assurances If more than one type of locally-selected measure is used for different groups of principals in the same or similar grade configuration or program, certify that the measures are comparable based on the Standards of Educational and Psychological Testing.	Check
8.5) Assurances Assure that all locally-selected measures for a principal are different than any measures used for the State assessment or other comparable measures subcomponent.	Check

9. Other Measures of Effectiveness (Principals)

Created Tuesday, September 18, 2012

Updated Friday, October 19, 2012

Page 1

9.1) Principal Practice Rubric

Select the choice of principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards. If your district has been granted a variance by NYSED through the variance process, select "district variance" from the menu.

The "Second Rubric" space is optional. A district may use multiple rubrics, as long as the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district.

Multidimensional Principal Performance Rubric

(No response)

9.2) Points Within Other Measures

State the number of points that will be assigned to each of the following measures, making sure that the points total 60. If you are not assigning any points to the "ambitious and measurable goals" measure, enter 0.

Some districts may prefer to assign points differently for different groups of principals. This APPR form only provides one space for assigning points within other measures for principals. If your district/BOCES prefers to assign points differently for different groups of principals, enter the points assignment for one group of principals below. For the other group(s) of principals, fill out copies of this form and upload as an attachment for review.

Is the following points assignment for all principals?

Yes

If you checked "no" above, fill in the group of principals covered:

(No response)

State the number of points that will be assigned to each of the following measures, making sure that the points total 60. If you are not assigning any points to the "ambitious and measurable goals" measure, enter 0.

Broad assessment of principal leadership and management actions based on the practice rubric by the supervisor, a trained administrator or a trained independent evaluator. This must incorporate multiple school visits by supervisor, trained administrator, or trained independent evaluator, at least one of which must be from a supervisor, and at least one of which must be unannounced. [At least 31 points]	60
---	----

Any remaining points shall be assigned based on results of one or more ambitious and measurable goals set collaboratively with principals and their superintendents or district superintendents.	0
--	---

If the above points assignment is not for "all principals," fill out an additional copy of "Form 9.2: Points Within Other Measures" for each group of principals, combine them into a single file, and upload as an attachment for review. Click here for a downloadable copy of Form 9.2. (MS Word)

(No response)

9.3) Assurances -- Goals

Please check the boxes below (if applicable):

9.3) Assurances -- Goals Assure that if any points are assigned to goals, at least one goal will address the principal's contribution to improving teacher effectiveness based on one or more of the following: improved retention of high performing teachers; correlation of student growth scores to teachers granted vs. denied tenure; or improvements in proficiency rating of the principal on specific teacher effectiveness standards in the principal practice rubric.	(No response)
9.3) Assurances -- Goals Assure that any other goals, if applicable, shall address quantifiable and verifiable improvements in academic results or the school's learning environment (e.g. student or teacher attendance).	(No response)

9.4) Sources of Evidence (if applicable)

If you indicated above that one or more points will be assigned to the "ambitious and measurable goals" measure, identify at least two of the following sources of evidence that will be utilized as part of assessing every principal's goal(s):

9.4) Sources of Evidence (if applicable) Structured feedback from teachers using a State-approved tool	(No response)
9.4) Sources of Evidence (if applicable) Structured feedback from students using a State-approved tool	(No response)
9.4) Sources of Evidence (if applicable) Structured feedback from families using a State-approved tool	(No response)
9.4) Sources of Evidence (if applicable) School visits by other trained evaluators	(No response)
9.4) Sources of Evidence (if applicable) Review of school documents, records, and/or State accountability processes (all count as one source)	(No response)

9.5) Survey Tool(s) (if applicable)

If you indicated above that 1 or more points will be assigned to feedback using a State-approved survey tool, please check the box below:

(No response)

Note: When the State-approved survey list is posted, this form will be updated with dropdown menus of approved survey tools.

(No response)

(No response)

(No response)

9.6) Assurances

Please check all of the boxes below:

9.6) Assurances Assure that all ISLLC 2008 Leadership Standards are assessed at least one time per year.	Checked
9.6) Assurances Assure that the process for assigning points for the "other measures" subcomponent will use the narrative HEDI descriptions described in the regulations to effectively differentiate principals' performance in ways that improve student learning and instruction	Checked
9.6) Assurances Assure that it is possible for a principal to earn each point, including 0, for the "other measures" subcomponent.	Checked
9.6) Assurances Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district or BOCES.	Checked

9.7) Process for Assigning Points and Determining HEDI Ratings

Describe the process for assigning points and determining HEDI ratings using the principal practice rubric and/or any additional instruments used in the district. Include, if applicable, the process for combining results of multiple "other measures" into a single result for this subcomponent.

To assure that all of the six 2008 ISLLC Standards are evaluated each year, we will use the Multidimensional Principal Performance Rubric. The Superintendent will visit each principal's building twice, and principals will submit other evidence to address the standards not covered by the school visits. Final scores for the 60 points will be tied to the final average rubric scores between 0-4. Each principal's rating will be calculated using the "Rubric Score to Sub-Component Conversion Chart." The total sub-component score (0-60 points) will be added to the final APPR evaluation form for principals.

The Superintendent will be responsible to schedule one visit while one visit will be unannounced.

If you are using tables or other graphics to explain your process for assigning points and determining HEDI ratings, please clearly label them, combine them into a single file, and upload that file here.

assets/survey-uploads/5143/178667-pMADJ4gk6R/APPR - 60 Point Outline for Principals 10-15-12.doc

Describe the level of performance required for each of the HEDI rating categories, consistent with the narrative descriptions in the regulations for the "other measures" subcomponent. Also describe how the points available within each HEDI category will be assigned.

Highly Effective: Overall performance and results exceed standards.	Principals will receive a rating of Highly Effective for an average rubric score of 3.5-4.0.
Effective: Overall performance and results meet standards.	Principals will receive a rating of Effective for an average rubric score of 2.5-3.4.
Developing: Overall performance and results need improvement in order to meet standards.	Principals will receive a rating of Developing for an average rubric score of 1.5-2.4.
Ineffective: Overall performance and results do not meet standards.	Principals will receive a rating of Highly InEffective for an average rubric score of 1.0-1.4.

Please provide the locally-negotiated 60 point scoring bands.

Highly Effective	55-60
Effective	51-54
Developing	49-50
Ineffective	0-48

9.8) School Visits

Enter the minimum number of school visits that will be done by each of the following evaluators, making sure that the number of visits "by supervisor" is at least 1 and the total number of visits is at least 2, for both probationary and tenured principals. If your APPR plan does not include visits by a trained administrator or independent evaluator, enter 0 in those boxes.

Probationary Principals

By supervisor	2
By trained administrator	0
By trained independent evaluator	0
Enter Total	2

Tenured Principals

By supervisor	2
By trained administrator	0
By trained independent evaluator	0
Enter Total	2

10. Composite Scoring (Principals)

Created Tuesday, September 18, 2012

Updated Friday, September 21, 2012

Page 1

Standards for Rating Categories

Growth or Comparable Measures

Locally-selected Measures of

growth or achievement

Other Measures of Effectiveness

(Teacher and Leader standards)

Highly

Effective

Results are well above state average for similar students (or District goals if no state test).

Results are well above District- or BOCES- adopted expectations for growth or achievement for grade/subject.

Overall performance and results exceed ISLLC leadership standards.

Effective

Results meet state average for similar students (or District goals if no state test).

Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.

Overall performance and results meet ISLLC leadership standards.

Developing

Results are below state average for similar students (or District goals if no state test).

Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.

Overall performance and results need improvement in order to meet ISLLC leadership standards.

Ineffective

Results are well below state average for similar students (or District goals if no state test).

Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.

Overall performance and results do not meet ISLLC leadership standards.

For the 2013-2014 school year and beyond, the Commissioner shall review the specific scoring ranges for each of the rating categories annually before the start of each school year and shall recommend any changes to the Board of Regents for consideration.

10.1) The 2012-13 scoring ranges for principals for whom there is no approved Value-Added measure of student growth will be:

2012-13 where there is no Value-Added measure

11. Additional Requirements - Principals

Created Tuesday, September 18, 2012

Updated Friday, September 21, 2012

Page 1

11.1) Assurances -- Improvement Plans

Please check the boxes below.

11.1) Assurances -- Improvement Plans Assure that principals who receive a Developing or Ineffective rating will receive a Principal Improvement Plan (PIP) within 10 school days from the opening of classes in the school year following the performance year	Checked
11.1) Assurances -- Improvement Plans Assure that PIPs shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a principal's improvement in those areas	Checked

11.2) Attachment: Principal Improvement Plan Forms

As a required attachment to this APPR plan, upload the PIP forms that are used in your school district or BOCES. For a list of supported file types, go to the Resources folder (above) and click Technical Tips.

[assets/survey-uploads/5276/178771-Df0w3Xx5v6/Principal Improvement Plan.doc](#)

11.3) Appeals Process

Pursuant to Education Law section 3012-c, a principal may only challenge the following in an appeal:

(1) the substance of the annual professional performance review

(2) the school district's or BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law section 3012-c

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's or BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law section 3012-c

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

The tenured principal has five school days from receipt of the written rating to appeal in writing to the Superintendent. A Principal has ten school days to submit supporting documentation for appeal.

Upon receipt of the appeal, the Superintendent has ten school days to meet with the principal and make a determination.

Within sixty school days from the initial filing date of the appeal, a final determination will be made by the Superintendent.

11.4) Training and Certification of Lead Evaluators and Evaluators

Describe the process by which evaluators will be trained and the process for how the district will certify and re-certify lead evaluators. Describe the process for ensuring inter-rater reliability. Describe the duration and nature of such training.

As the sole evaluator of principals in the Byron-Bergen Central School District, the Superintendent will be properly trained in the nine elements identified, completing training through the Genesee Valley Educational Partnership and NYSCOSS, which will consist of a number of full-day trainings and shorter workshops throughout the year. As a result of there being only one evaluator of the principals, inter-rater reliability is not a concern. However, regular interactive review and analysis of professional evidence within Multidimensional Principal Performance rubric will take place for the professional growth of the Superintendent and the administrative team.

All documentation of training will be kept on file in the District Office. Once the Superintendent has been properly trained, the Superintendent will recommend to the Board of Education that he be certified to conduct principal evaluations. The in-district activities outlined and participation in regional meetings and trainings will be ongoing, and documentation of training will continue in order for the Superintendent to be recertified each year.

11.5) Assurances -- Evaluators

Please check the boxes below:

-
- Checked
-

(1) the New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable

(2) evidence-based observation techniques that are grounded in research

(3) application and use of the student growth percentile model and the value-added growth model as defined in section 30-2.2 of this Subpart

(4) application and use of the State-approved teacher or principal rubric(s) selected by the district or BOCES for use in evaluations, including training on the effective application of such rubrics to observe a teacher or principal's practice

(5) application and use of any assessment tools that the school district or BOCES utilizes to evaluate its classroom teachers or building principals, including but not limited to, structured portfolio reviews; student, parent, teacher and/or community surveys; professional growth goals and school improvement goals, etc.

(6) application and use of any State-approved locally selected measures of student achievement used by the school district or BOCES to evaluate its teachers or principals

(7) use of the Statewide Instructional Reporting System

(8) the scoring methodology utilized by the Department and/or the district or BOCES to evaluate a teacher or principal under this Subpart, including how scores are generated for each subcomponent and the composite effectiveness score and application and use of the scoring ranges prescribed by the Commissioner for the four designated rating categories used for the teacher's or principal's overall rating and their subcomponent ratings

(9) specific considerations in evaluating teachers and principals of English language learners and students with disabilities

• Checked

11.6) Assurances -- Principals

Please check all of the boxes below:

11.6) Assurances -- Principals Assure the entire APPR plan will be completed for each principal as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the building principal's performance is being measured.	Checked
11.6) Assurances -- Principals Assure that the district will provide the principal's score and rating on the locally selected measures subcomponent, if available, and on the other measures of principal effectiveness subcomponent for a principal's annual professional performance review, in writing, no later than the last school day of the school year for which the principal is being measured.	Checked
11.6) Assurances -- Principals Assure that the APPR will be put on the district website by September 10 or within 10 days after approval, whichever is later.	Checked
11.6) Assurances -- Principals Assure that the evaluation system will be used as a significant factor for employment decisions.	Checked
11.6) Assurances -- Principals Assure that principals will receive timely and constructive feedback as part of the evaluation process.	Checked
11.6) Assurances -- Principals Assure the district has appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.	Checked

11.7) Assurances -- Data

Please check all of the boxes below:

11.7) Assurances -- Data Assure that the NYSED will receive accurate teacher and student data, including enrollment and attendance data and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with this Subpart, in a format and timeline prescribed by the Commissioner.	Checked
11.7) Assurances -- Data Certify that the district provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.	Checked
11.7) Assurances -- Data Assure scores for all principals will be reported to NYSED for each subcomponent, as well as the composite rating, as per NYSED requirements.	Checked

12. Joint Certification of APPR Plan

Created Monday, September 10, 2012

Updated Friday, October 19, 2012

Please save your file types as .doc, .ppt or .xls respectively before uploading.

Byron-Bergen Central School District
HEDI Rating Conversion Chart for Students Learning Objectives (SLOs)

This conversion chart is consistent for all grade levels and all content areas.

Based on the percentage of students that meet their established growth targets for State SLOs, teachers and/or principals will receive a HEDI rating between 0-20 as outlined below:

HIGHLY EFFECTIVE			EFFECTIVE									DEVELOPING					INEFFECTIVE			
20	19	18	17	16	15	14	13	12	11	10	9	8	7	6	5	4	3	2	1	0

Byron-Bergen Central School District
HEDI Rating Conversion Chart for Locally Selected Achievement Measures for Teachers 7-12

This conversion chart is consistent for all grade levels and all content areas in Grades 7-12.

	Average of the passing percentages on the following Regents exams: June Algebra, June Living Environment, January Comprehensive English, June Global History and Geography, and June US History and Government
Highly Effective (18-20 Points) Results are well above District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The average passing rate for the 5 above Regents exams is equal to 85% or above.
Effective (9-17 Points) Results meet District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The average passing rate for the 5 above Regents exams is between 65% and 84%.
Developing (3-8 Points) Results are below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The average passing rate for the 5 above Regents exams is between 55% to 64%.
Ineffective (0-2 Points) Results are well below District- or BOCES-adopted expectations for growth or achievement for grade/subject.	The average passing rate for the 5 above Regents exams is 54% or below.

APPR – 60 Points Outline

60 Total Points (60%)

5 Points

Informal (Unannounced Walk-Through Observation)

Prior to the end of February of the current school year, post meeting within 3 work days. Faculty member may request an additional observation within 5 work days.

It is understood that frequent, informal classroom walk-throughs occur as a routine part of improving instructional practice in high quality schools. In order to gather shared evidence there will be:

- A minimum of one Informal Walk-Through Observation in a school year
- This observation will last a minimum of 15 minutes
- ONE additional Informal Walk-Through Observation conducted upon request prior to the end of April.
- One additional Informal Observation if a score of 3 or less than 5 points was earned.

A faculty member will earn (1 point) when each of the following is observed during the Informal (Unannounced Walk-Through Observation)

- The learning objective is clearly posted or evident
- Students are actively engaged
- Instruction and assessment of learning are integrated. Effective use of question and discussion techniques
- Effective classroom management is evident
- Follow up reflection discussion between observer and teacher

30 Points

Formal Observation

Scheduled between the first day of October and the last day of April, post meeting within 5 work days. Written observation will be returned to faculty member within 10 work days of actual observation. Pre-Observation conferences will occur within 2 days prior to formal observation)

- (5 Points): Pre-Observation Reflection Form (based on the formal lesson to be observed)
- (10 Points): Domain #2
- 2 subcomponents will be agreed upon between observer and faculty member
- (10 Points): Domain #3
- 2 subcomponents will be agreed upon between observer and faculty member
- (5 Points): Post-Observation Reflection Form (based on the formal lesson observed)

25 Points

Artifact Collection and Review

- (10 Points): Domain #4
- (10 Points): Domain #1 – Artifact collection, Formal and Informal Observations
- (5 Points): Goal Setting

Level	60 Points
Ineffective	0-48
Developing	49-50
Effective	51-54
Highly Effective	55-60

The following formula will be used to calculate the numbers of points for the teacher effectiveness composite score for each domain. The four domain scores are totaled which compromises the number of points (out of 60) for the multiple measures of the composite score.

$$\left[\frac{3 (\# \text{ of items rated highly effective}) + 2 (\# \text{ of items rated effective}) + (\# \text{ of items rated developing})}{3 (\# \text{ of items in the domain})} \right] \times 15$$

Example:

Domain Two consists of 5 components: 2a, 2b, 2c, 2d, and 2e

After the observation, the evaluator makes the determination that the teacher was highly effective on components 2a, and 2d; effective on components 2b and 2e; and developing on 2c.

Using the formula:

$$[(3 \times 2) + (2 \times 2) + (1)] = 11$$

$$11 / (3 \times 5) = 11 / 15 = .73$$

$$.73 \times 15 = 10.95$$

So, in this domain the teacher receives 10.95 points out of 15

This score would be added to the other domain scores to come up with a total score out of 60 points.

* Rounding rules apply to the final score, but may not exceed 60 points.

Teacher Improvement Plans

Instructor Name: _____

Participants in the formulation of this TIP:

Identify the area(s) of improvement identified in the annual evaluation:

1. _____

HEDI Rating Conversion Chart for Locally Selected Achievement Measures for Teachers 7-12 w/Value Added

Based on the percentage of students that meet their established achievement goals for locally selected measures, teachers and/or principals will receive a HEDI rating between 0-15 as outlined below:

HIGHLY EFFECTIVE		EFFECTIVE						DEVELOPING					INEFFECTIVE		
15	14	13	12	11	10	9	8	7	6	5	4	3	2	1	0
96-100	85-95	84	83	80-82	75-79	70-74	65-69	63-64	62	61	58-60	55-57	45-54	21-44	0-20

Byron-Bergen Central School District APPR – 60 Points Outline for Principals

60 Total Points (60%)

60 Points **Informal (Unannounced School Visit)**

Formal (Announced School Visit)

Goal setting will occur with each principal by November 1st of each year.

A score for the local 60% will be the average of the Multidimensional Principal Performance Review.

Highly Effective	3.5 – 4.0
Effective	2.5 – 3.5
Developing	1.5 – 2.5
Ineffective	1.0 – 1.4

following formula will be used to calculate the numbers of points for the teacher effectiveness composite score for each in. The four domain scores are totaled which comprises the number of points (out of 60) for the multiple measures of the composite score.

$$\frac{3 (\# \text{ of items rated highly effective}) + 2 (\# \text{ of items rated effective}) + (\# \text{ of items rated developing})}{3 (\# \text{ of items in the domain})} \times 15$$

Example:

Domain Two consists of 5 components: 2a, 2b, 2c, 2d, and 2e

the observation, the evaluator makes the determination that the teacher was highly effective on components 2a, and 2d; effective on components 2b and 2e; and developing on 2c.

Using the formula:

$$[(3 \times 2) + (2 \times 2) + (1)] = 11$$

$$11 / (3 \times 5) = 11/15 = .73$$

$$.73 \times 15 = 10.95$$

So, in this domain the teacher receives 10.95 points out of 15

This score would be added to the other domain scores to come up with a total score out of 60 points.

* Rounding rules apply to the final score, but may not exceed 60 points.

DISTRICT CERTIFICATION FORM: Please download this form, sign and upload to APPR form

By signing this document, the school district or BOCES certifies that this document constitutes the district's or BOCES' complete Annual Professional Performance Review (APPR) Plan, that all provisions of the APPR that are subject to collective negotiations have been resolved pursuant to the provisions of Article 14 of the Civil Service Law and that such APPR Plan complies with the requirements of Education Law §3012-c and Subpart 30-2 of the Rules of the Board of Regents and has been adopted by the governing body of the school district or BOCES. By signing this document, the collective bargaining agent(s) of the school district or BOCES, where applicable, certify that this document constitutes the district's or BOCES' complete Annual Professional Performance Review (APPR) Plan, that collective negotiations have been completed on all provisions of the APPR that are subject to collective bargaining, and that such APPR Plan complies with the requirements of Education Law §3012-c and Subpart 30-2 of the Rules of the Board of Regents and has been adopted by the governing body of the school district or BOCES.

The school district or BOCES and its collective bargaining agent(s), where applicable, also certify that upon information and belief, all statements made herein are true and accurate and that any applicable collective bargaining agreements for teachers and principals are consistent with and/or have been amended and/or modified or otherwise resolved to the extent required by Article 14 of the Civil Service Law, as necessary to require that all classroom teachers and building principals will be evaluated using a comprehensive annual evaluation system that rigorously adheres to Education Law §3012-c and Subpart 30-2 of the Rules of the Board of Regents.

The school district or BOCES and its collective bargaining agent(s), where applicable, also make the following specific certifications with respect to their APPR Plan:

- Assure that the evaluation system will be used as a significant factor for employment decisions and teacher and principal development
- Assure that the entire APPR plan will be completed for each teacher or principal as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the classroom teacher or building principal's performance is being measured
- Assure that the district or BOCES will provide the teacher's or principal's score and rating on the locally selected measures subcomponent, if available, and on the other measures of teacher and principal effectiveness subcomponent for a teacher's or principal's annual professional performance review, in writing, no later than the last school day of the school year for which the teacher or principal is being measured
- Assure that the APPR plan will be posted on the district's or BOCES' website by September 10 or within 10 days after it is approved by the Commissioner, whichever is later
- Assure that accurate teacher and student data will be provided to the Commissioner in a format and timeline prescribed by the Commissioner
- Assure that the district or BOCES will report the individual subcomponent scores and the total composite effectiveness score for each classroom teacher and building principal in a manner prescribed by the Commissioner
- Certify that the district provides an opportunity for every classroom teacher and building principal to verify the subjects and/or student rosters assigned to them
- Assure that teachers and principals will receive timely and constructive feedback as part of the evaluation process
- Assure that any training course for lead evaluator certification addresses each of the requirements in the regulations, including specific considerations in evaluating teachers and principals of English Language Learners and students with disabilities
- Assure that educators who receive a Developing or Ineffective rating will receive a TIP or PIP plan, in accordance with the regulations, as soon as practicable but in no case later than 10 school days from the opening of classes in the school year following the performance year
- Assure that all evaluators and lead evaluators will be properly trained and that lead evaluators will be certified and recertified as necessary in accordance with the regulations
- Assure that the district or BOCES has appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal
- Assure that, for teachers, all NYS Teaching Standards are assessed at least once per year, and, for principals, all Leadership Standards are assessed at least once per year
- Assure that it is possible for a teacher or principal to obtain each point in the scoring ranges, including 0 for each subcomponent and that the APPR Plan describes the process for assigning points for each subcomponent
- Assure that locally-selected measures are rigorous and comparable across all classrooms (for teachers, the same locally-selected measure is used across a subject and/or grade level; for principals, the same locally-selected measure must be used for all principals in the same or similar program or grade configuration)

- Assure that, if more than one type of locally-selected measure is used for different groups of teachers within a grade/subject, the measures are comparable based on the Standards of Educational and Psychological Testing
- Assure that, if more than one type of locally-selected measure is used for principals in the same or similar grade configuration or program, the measures are comparable based on the Standards of Educational and Psychological Testing
- Assure that the process for assigning points for all subcomponents and the composite scores will use the narrative HEDI descriptions described in the regulations to effectively differentiate educators' performance in ways that improve student learning and instruction
- Assure that district or BOCES will develop SLOs according to the rules and/or guidance established by SED and that past academic performance and / or baseline academic data of students is taken into account when developing an SLO
- Assure that Student Growth/Value Added Measure will be used where applicable
- Assure that any material changes to this APPR Plan will be submitted to the Commissioner for approval as soon as practicable and/or in a timeframe prescribed by the Commissioner
- Assure that this APPR Plan applies to all classroom teachers and building principals as defined in the regulation and SED guidance
- Assure that the district or BOCES will provide the Department with any information necessary to conduct annual monitoring pursuant to the regulations
- If this APPR Plan is being submitted subsequent to July 1, 2012, assure that this was the result of unresolved collective bargaining negotiations
