Revised

David Blanchard, Superintendent
Schoharie Central School District
136 Academy Drive
Schoharie, NY 12157

Dear Superintendent Blanchard:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 06/30/2016

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances

Please check all of the boxes below

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

Task 3) Optional Student Performance Subcomponent

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Up to 50% of Student Performance category, if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

Page Last Modified: 06/30/2016

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching (2011 Revised Edition)	NA

4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components of each domain of the Danielson Framework for Teaching will be weighted equally and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 06/30/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

J. APPR Appeals

1. Teacher Request for Supporting Documents

Within five (5) school days of receipt of the APPR, a teacher may request, in writing, that the administrator issuing the APPR provide the teacher a copy of any and all documents and written materials upon which the APPR was based. The authoring administrator shall provide all such documents to the teacher five (5) school days of the request. Only materials provided in response to the request shall be considered in the deliberations as to the validity of the APPR.

2. Right to Appeal

a. Only tenured teachers who receive an APPR rating of "ineffective" or "developing" may appeal their APPR through the procedure herein. A teacher may file only one appeal from a single APPR.

b. Probationary teachers may not file appeals through the procedure established herein but may file a written rebuttal which shall be attached to the APPR. Probationary teachers may only challenge claims of APPR procedural violations through the contractual grievance procedure.

3. Filing of Appeal by Tenured Teacher

A tenured teacher may file a written appeal of the APPR within twenty-five (25) school days of the receipt of the requested supporting documents. Any appeal shall be filed with the Superintendent of Schools.

An appeal of an APPR must be based upon one or more of the following grounds:

- a. The substance of the APPR;
- b. The District's failure to adhere to the standards and methodologies required for the APPR that are set forth in Education Law 3012-d and applicable rules and regulations;
- c. The District's failure to comply with locally negotiated procedures and timelines;
- d. The District's failure to issue and/or implement the terms of the Teacher Improvement Plan, where applicable, as required under Education Law 3012-d.

The written appeal document shall be a letter or an email; it must clearly identify the grounds for appeal, and shall explain, in detail, why the appealing teacher believes the APPR should be modified or redone.

Levels of Appeal: (see chart below)

LEVEL I: After receiving the Overall Composite rating, the teacher will first try to resolve the appeal with the administrator/evaluator of record.

LEVEL II: If the teacher and the administrator cannot resolve the appeal informally, the teacher will make the appeal in writing with the necessary supporting documentation attached. The administrator/evaluator will have ten (10) school days to respond in writing to the appeal.

If s/he finds the points valid, changes in the rating will be made.

If s/he denies the Level II appeal, it shall be done so in writing with explanation/rationale.

LEVEL III: If the administrator denied the request and chooses not to re-administer the observation, the denial shall be reduced to writing. If the teacher is unsatisfied with the written response from the administrator/evaluator, a formal appeal request shall be made by email or written letter to the Superintendent of Schools within ten (10) school days after receipt of the Level II response.

4. Review by APPR Appeals Committee

Formal appeals shall be referred for consideration by the APPR Appeals Committee, a standing committee made up of two (2) administrators from within the District appointed by the Superintendent of Schools, and seven (7) tenured teachers from within the District appointed by the president of the Schoharie Teachers Association. Two (2) of the seven (7) teachers appointed by the Association will be included with the approval of the Superintendent of the Schoharie CSD. The hearing committee will be selected from this pool and will serve on an appeal by appeal basis. The hearing committee will consist of two (2) administrators appointed by the superintendent of schools, two (2) teachers appointed by the president of the Association and 1 (one) teacher mutually agreed upon by both the superintendent and Association president. All members of the standing committee shall be appointed annually, and all members shall be required to complete the training required of lead evaluators under the APPR regulations. In the event that an administrator assigned to the Committee has authored the APPR in question, an alternate administrator will be assigned by the Superintendent. In the event that a teacher filing an appeal is a Committee member, an alternate teacher will be assigned by the president of the Teachers Association. Any/all alternates are required to have completed the training required of lead evaluators under the APPR regulations. The APPR Appeals Committee shall convene to consider the appeal within ten (10) school days of the filing of the appeal. The committee shall determine its own rules and procedures, which may be altered as the Committee sees fit as it performs its duties. The committee shall determine, for example, whether to allow committee members to review the documents underlying an APPR prior to the convening of the committee, and whether to invite either the appealing teacher or the authoring administrator, or both, to address or be questioned by the committee.

It shall be the duty of the committee to answer the question, "has the teacher demonstrated that the APPR should be modified or redone?" In the course of answering this question, the committee may consider the claims of the procedural violations and shall determine whether the claimed violations are significant enough to warrant modifying or redoing the APPR.

Annual Professional Performance Review - Education Law §3012-d

Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 06/30/2016

5. Determination of Appeal

Upon the conclusion of its consideration of an appeal (no later than five school days from the date the committee convenes), each member of the committee shall vote to uphold the APPR, modify the APPR, or redo the APPR. If the committee agrees by majority vote on one of these choices, the committee shall give written notice of its decision to the appealing teacher, the president of the Schoharie Teachers Association and the Superintendent of Schools. The committee's decision shall be final and binding.

In the event the committee does not have majority support for one of the above stated options in its decision on an appeal, each member of the committee shall write a brief statement setting forth and explaining his or her recommendation for disposition of the appeal. The committee members' written statements, together with the full record of the appeal, shall then be forwarded to the Superintendent of Schools within the same 5 day period as above. The Superintendent shall have final authority to resolve the appeal. The Superintendent's decision shall be in writing and will have as attachments all of the committee members' written statements attached thereto. The decision of the superintendent shall be rendered within five (5) school days of receipt of the reports from the appeals committee members.

6. Exclusivity of Appeal Process

The APPR Appeals Process set forth herein shall be the sole method of appealing either an APPR or claimed violation of the procedural or substantive requirements of the APPR process. Except as specifically allowed in Section II, there shall be no appeal allowed through the contractual grievance procedure or to any administrative or judicial tribunal. The Superintendent's decision will be final and binding and not subject to the grievance process.

6.5) Assurance: Evaluators

Please check the box below.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

Page Last Modified: 06/30/2016

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

All evaluators will be trained and all lead evaluators will be trained and certified by the Board of Education under the nine requirements prescribed in §30-3.10 of the Rules of the Board of Regents. Impartial independent observers will receive training on the three requirements prescribed in §30-3.10(c). Training for all evaluators will be conducted by Capital Region BOCES teacher and principal leaders on career ladder pathways and will consist of a minimum of five school days throughout the school year. Inter-rater reliability will be maintained over time through various activities, including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same educator, and annual calibration sessions across evaluators. Certified school administrators or superintendents of schools serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of an APPR prior to completion of the training required by §30-3.10 provided such training is successfully completed prior to completion of the evaluation. Lead evaluators will be re-certified by the Board of Education annually. Additionally, all impartial independent observers will also be retrained annually to maintain calibration levels consistent with district expectations.

Schoharie CSD does not plan to use peer observers.

6.7) Assurances: Teacher Evaluation

Please check all of the boxes below.

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

6.8) Assurances: Assessments

Please check all of the boxes below.

- Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

6.9) Assurances: Data

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 06/30/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the

2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

7.1) Assurances

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

All observable components will be weighted equally and averaged.

9.4) Calculating School Visit Ratings

Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. See Section 30-3.5(d)(1)(ii)(a) of the Rules of the Board of Regents.

Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 06/30/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

Schoharie Central School District Administrator Appeals Process

Appeals Process

The purpose of the internal APPR appeal process is to foster and nurture growth of the respective administrator in order to maintain a highly qualified and effective workforce. The appeal procedures shall provide for the timely and expeditious resolution of the appeal. Appeals are reserved for tenured administrators.

Appeals may be filed by tenured administrators only under the circumstances set forth below. An administrator may not file multiple appeals regarding the same performance review or Administrator Action Plan (AAP).

APPR Subject to Appeal Procedure

Only tenured unit bargaining member aggrieved by an APPR rating of ineffective or developing may challenge the APPR.

An APPR subject to a pending appeal shall not be offered in evidence in any Education Law 3020-a proceedings until the appeal process can be concluded.

Grounds for an Appeal

An appeal may be filed challenging the APPR based upon one or more of the following grounds:

- The substance of the APPR
- The district's failure to adhere to the standards and methodologies required for the APPR, pursuant to Educational Law 3012-d and applicable rules and regulations
- The district's failure to comply with the applicable regulations of the Commissioner of Education
- The district's failure to issue and /or implement a Principal Improvement Plan (PIP) a/k/a, an Administrator Action Plan(AAP) as required under Educational Law 3012-d

Appeal

The district and the association will maintain an appeal panel list. The appeal panel will include trained lead evaluators; one chosen by the district, one chosen by the administrative unit and a third, mutually agreed upon administrator willing to conduct a review at no cost to either party.

In order to be timely, an APPR appeal shall be filed in writing with the superintendent within fifteen (15) calendar days in receipt of the APPR. The appeal must state specifically the grounds for appeal and include any documents relevant to the appeal. Failure to include a particular ground for the appeal within the principal's written appeal shall be deemed a waiver of that claim.

Superintendent's Written Response to Appeal

Within fifteen (15) calendar days of receipt of an appeal, the superintendent must submit a detailed written response that includes all documents or materials that are specific to the points of the disagreement and/or relevant to the resolution of the appeal. Material not submitted at the time of the response filing will not be considered in deliberations related to the appeal.

Decision of the Appeal

Within ten (ten) calendar days after receipt of the superintendent's response to the appeal, and the administrator still is aggrieved the parties will engage their respective reviewers. This will include the review panel with both the administrator and the lead evaluator together. Each party may present written and verbal information in support of the challenge and the rating. The parties may ask questions of each other, and the reviewer panel may ask questions of both parties.
