Sean Croft, Superintendent  
Starpoint Central School District  
4363 Mapleton Road  
Lockport, NY 14094

Dear Superintendent Croft:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia  
Commissioner

**NOTE:**

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

### Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 09/26/2016

#### Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

#### 1.1) Assurances

##### Please check all of the boxes below

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

#### 1.2) Submission Status

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 09/26/2016

## Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

### 2.1) Assurances

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

### 2.2) Grades 4-8 ELA and Math: Assessments (Original)

#### STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

**2.12) Teachers with More Than One Growth Measure (Original)**

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.10 (Other Courses), 2.11-2.14

Page Last Modified: 09/26/2016

**Please check the boxes below.**

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

**Task 2) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)**

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

***100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.***

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.**

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

**Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.**

**OPTION A1, A3, or A4**

Include a description of your process consistent with the selected option(s).

- **OPTION A1:** Please describe the process your district/BOCES will use to calculate a 0-20 score and HEDI rating using a teacher-specific growth score computed by the State based on the percentage of students who achieve a State-determined level of growth. Please also include an upload in Task 3.11 demonstrating the process of assigning all points 0 to 20.
- **OPTION A3:** Please describe the process your district/BOCES will use to locally compute a 0-20 score and HEDI rating using school- or program-wide, group, team, or linked growth results based on available State-provided growth scores. Please indicate which grades/subjects of the available State-provided growth scores will be used. Please also include an upload in Task 3.11 demonstrating the process of assigning all points 0 to 20.
- **OPTION A4:** Please describe the process your district/BOCES will use to locally compute a 0-20 score and HEDI rating using district- or BOCES-wide growth results based on available State-provided growth scores. Please indicate which grades/subjects of the available State-provided growth scores will be used. Please also include an upload in Task 3.11 demonstrating the process of assigning all points 0 to 20.

Each teacher within the district will receive a 0-20 score and HEDI rating based on a District-Wide Aggregate Math and ELA Adjusted Mean Growth Percentile (MGP). The District-Wide Aggregate Math and ELA MGP will be computed by calculating a mean MGP based on equally weighting the Overall ELA and Math Adjusted MGP for the following buildings: Regan Intermediate (Grades 3-5), Starpoint Middle School (Grades 6-8), and Starpoint High School (Grades 9-12). Teachers in the Fricano Primary building (K-2) will also use the District-Wide Aggregate Math and ELA MGP. After the District-Wide Aggregate Math and ELA Adjusted MGP is identified, the attached conversion chart found in 3.11 will be used to convert the Adjusted MGP to a score from 0-20 and a HEDI rating.

**3.11) Conversion Chart**

Please upload an attachment, as applicable to the selected option(s).

- For Option (A1), Option (A3), or Option (A4), please upload a chart demonstrating how the second growth score chosen will be converted to a HEDI score from 0-20.
- For Option (B1), Option (B2), or Option (B3), please upload the chart provided by the assessment provider to demonstrate how the growth model translates to a HEDI score from 0-20.
- An upload is not required with the use of Option (A2). For Option (A2), the 0-20 score and HEDI rating provided by the State must be used.

**3.12) Assurances**

Please check all of the boxes below:

- Assure that scores and ratings for the Optional Student Performance subcomponent, where a State-designed supplemental assessment is used, will be calculated in the manner specified by the assessment provider through the RFQ process.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and parameters specified in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that all Optional Student Performance measures for a teacher are different than any measures used for the Required Student Performance subcomponent.
- Assure that the same locally selected measures of student growth across all classrooms in the same grade/subject in the district/BOCES must be used in a consistent manner to the extent practicable.
- Assure that during the 2016-17 through 2018-19 school years, if a second State-provided growth score (options A1, A2, A3, or A4) is selected as a measure in the Optional subcomponent of the Student Performance category, such measure will be used for advisory purposes only and will not be used for the purpose of calculating transition scores and ratings.

## Task 4. Teacher Observation Category - Tasks 4.1-4.6

Page Last Modified: 09/26/2016

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

### 4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

### 4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be weighted equally and averaged.

### 4.4) Calculating Observation Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please also check the boxes below.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. See Section 30-3.4(d)(2)(i)(b)(2) of the Rules of the Board of Regents.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

## Appeals Process for Teachers

The development of the Starpoint CSD APPR document is based on the philosophy that the primary purpose of a teacher evaluation should be to improve the effectiveness of all teachers and the educational outcomes for all students. To this end, this evaluation tool should be implemented without bias and with consideration for variables that may impact teacher effectiveness and student outcomes such as class size, student population, physical environment, and extreme personal or professional circumstances.

## TEACHER FILING AN APPEAL:

Appeals will be limited to composite ratings of Ineffective or Developing. A unit member shall be entitled to representation by the STA during the course of any appeal.

## WHAT MAY BE CHALLENGED IN AN APPEAL:

Appeal procedures should limit the scope of appeals under Education Law §3012-d to the following subjects:

- (1) the substance of the annual professional performance review; which shall include the instance of a teacher/ principal rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally.
- (2) the school district's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d and Subpart 30-3 of Commissioner's regulations;
- (3) the adherence to the Commissioner's regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d; and
- (4) the school district's issuance and/or implementation of the terms of the teacher or principal improvement plan under Education Law §3012-d.

The teacher may present any mitigating circumstances that he/she believes relevant during the course of an appeal, (including but not limited to class size, students and classes assigned, student attendance, teacher leave time/personal life, new initiatives/requirements, administrative support/relationship and physical environment) which shall be considered by the District along with all other information submitted during the appeal.

The appeal may result in the following action: sustaining the appeal and modifying the evaluation, or rejecting the appeal and sustaining the evaluation.

## PROHIBITION AGAINST MORE THAN ONE APPEAL

A teacher may not file multiple appeals regarding the same performance review or teacher improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

## BURDEN OF PROOF

In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

## TIMEFRAME FOR FILING APPEAL:

## PHASE ONE:

All appeals must be submitted in writing to the Building Principal within 10 workdays of the teacher receiving his/her complete APPR or TIP. The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed with the Building Principal shall not be considered.

Within 10 workdays of receipt of an appeal, the Building Principal shall meet with the teacher. Within 10 workdays of that meeting, the Building Principal shall issue a decision in writing whether to reject or sustain the teacher's appeal.

An evaluation that is the subject of an appeal shall not be sought to be offered in evidence or placed in evidence in any proceeding conducted pursuant to Education Law sections 3020-a and 3020-b or any locally negotiated alternate disciplinary procedure until the appeal process is concluded.

## PHASE TWO:

Only the following situations grant the ability for a teacher to enact Phase Two of the appeal process:

- (1) A teacher appealing an overall APPR rating of Ineffective; or
- (2) Teacher appealing the school district's issuance and/or implementation of the terms of the teacher improvement plan

Within 10 workdays of the receipt of the Building Principal's decision, the teacher shall submit the same appeal and supporting documentation to the Superintendent of Schools.

Within 10 workdays of receiving the teacher's appeal, the Superintendent of Schools shall review the submitted appeal, meet with the teacher submitting the appeal, and any other relevant parties, including but not limited to the administrator(s) who performed the APPR or issued the TIP.

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 09/26/2016

Within 10 workdays of meeting with the teacher, the Superintendent of Schools shall issue a decision in writing whether to reject or sustain the teacher's appeal.

An evaluation that is the subject of an appeal shall not be sought to be offered in evidence or placed in evidence in any proceeding conducted pursuant to Education Law sections 3020-a and 3020-b or any locally negotiated alternate disciplinary procedure until the appeal process is concluded.

In the absence of administrators meeting these deadlines, the district will still render a decision in a timely and expeditious manner in Phase 1 and Phase 2 in accordance with Education Law 3012-d.

**DECISION-MAKERS ON APPEAL:**

The Building Principal (for Phase One Appeals) will render the final decision on all appeals, with a composite rating of Developing, that are submitted to him/her. The Superintendent of Schools (for Phase Two Appeals) will render the final decision on all appeals, with a composite rating of Ineffective, that are submitted to him/her. Such decisions shall be final. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the reviewer may set aside a rating if it has been affected by substantial error or defect, modify a rating if it is affected by substantial error or defect or order a new evaluation if procedures have been violated. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different. A decision (for Phase Two Appeals) shall be rendered by the superintendent of schools or the superintendent's designee except that an appeal may not be decided by the same individual who was responsible for making the final rating decision. In such case, the board of education shall appoint another person to decide the appeal.

**EXCLUSIVITY OF §3012-D APPEAL PROCEDURE** The 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher/principal performance review and/or improvement plan. A teacher/principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law.

The District shall maintain a record of all documents and materials submitted by either party during all phases of the appeal process. Documents will be available for inspection by the unit member and/or the STA.

If such teacher successfully appealed their Ineffective rating, such teacher or principal shall immediately be eligible for tenure if the rating resulting from the appeal established that such individual has been Effective or Highly Effective in at least three of the preceding four years and was not Ineffective in the final year.

Per Section 30-3.12 of the Rules of the Board of Regents, nothing herein shall be construed to alter or diminish the authority of the governing body of the school district to grant or deny tenure to or terminate probationary teachers during the pendency of an appeal for statutorily and constitutionally permissible reasons, including the teacher's performance that is the subject of the appeal.

**6.5) Assurance: Evaluators**

**Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Annual Professional Performance Review - Education Law §3012-d**

## Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9

Page Last Modified: 09/26/2016

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

All evaluators (evaluators, lead evaluators, and independent observers) will be trained under the nine requirements prescribed in §30-3.10 of the Rules of the Board of Regents. In addition, all lead evaluators will be certified by the Board of Education. Training and annual re-training for all evaluators will be conducted within the district by school administrators, including the superintendent and/or local BOCES trainers and will consist of a minimum of two hours throughout the school year. Inter-rater reliability will be maintained over time through various activities, including data analysis to detect disparities on the part of one or more evaluators, periodic comparisons of a lead evaluator's assessment with another evaluator's assessment of the same educator, and annual calibration sessions across evaluators. Certified school administrators or superintendents of schools serving as lead evaluators will not be prohibited from conducting classroom observations or school visits as part of an APPR prior to completion of the training required by §30-3.10 provided such training is successfully completed prior to completion of the evaluation. Lead evaluators will be re-certified by the Board of Education annually.

**6.7) Assurances: Teacher Evaluation****Please check all of the boxes below.**

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

**6.8) Assurances: Assessments****Please check all of the boxes below.**

- Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where applicable, if your district/BOCES has indicated that more than one version of a Regents assessment for a content area will be used as the underlying evidence for an SLO, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

**6.9) Assurances: Data**

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

## Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 09/26/2016

### Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

### 7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

*Follow the examples below.*

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the 2019-20 school year for each grade configuration listed. The SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

9	12	<input checked="" type="checkbox"/> All applicable Regents assessments which are used to generate the principal's State-provided growth score

**7.1) Assurances**

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

Task 7. Original Student Performance - Required (Principals) - Original Tasks 7.2 (SLOs), 7.3-7.6

## 7.2) Student Learning Objectives (Original)

For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the grades/courses covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/course(s) that have the largest number of students using school-wide student results from one of the following assessment options:
- State-approved 3rd party assessment; or
- State-approved district, regionally, or BOCES-developed course-specific assessment.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the measure and assessment(s) that will be used for the SLOs for each grade configuration listed. During the 2016-17 through 2018-19 school years, SLOs that use grade 3-8 ELA/math State assessments as their underlying assessments must be excluded from the calculation of transition scores and ratings.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

YES, the Optional subcomponent WILL be used; the weight of each subcomponent is indicated below.

Select the weight of the Required Student Performance subcomponent; the corresponding Optional Student Performance subcomponent weight is shown.

### Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

*The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

#### 100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.**

### 7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- **Column 1:** lowest grade that corresponds to the building or program
- **Column 2:** highest grade that corresponds to the building or program
- **Column 3:** measure used
- **Column 4:** assessment(s) used

Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

**Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal’s school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.**

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

**OPTION A1, A2, or A3**

Include a description of your process consistent with the selected option(s).

- **OPTION A1:** Please describe the process your district/BOCES will use to calculate a 0-20 score and HEDI rating using a principal-specific growth score computed by the State based on the percentage of students who achieve a State-determined level of growth. Please also include an upload in Task 8.3 demonstrating the process of assigning all points 0 to 20.
- **OPTION A2:** Please describe the process your district/BOCES will use to locally compute a 0-20 score and HEDI rating using school- or program-wide, group, team, or linked growth results based on available State-provided growth scores. Please indicate which grades/subjects of the available State-provided growth scores will be used. Please also include an upload in Task 8.3 demonstrating the process of assigning all points 0 to 20.
- **OPTION A3:** Please describe the process your district/BOCES will use to locally compute a 0-20 score and HEDI rating using district- or BOCES-wide growth results based on available State-provided growth scores. Please indicate which grades/subjects of the available State-provided growth scores will be used. Please also include an upload in Task 8.3 demonstrating the process of assigning all points 0 to 20.

Each principal within the district will receive a 0-20 score and HEDI rating based on a District-Wide Aggregate Math and ELA Adjusted Mean Growth Percentile (MGP). The District-Wide Aggregate Math and ELA MGP will be computed by calculating a mean MGP based on equally weighting the Overall ELA and Math Adjusted MGP for the following buildings: Regan Intermediate (Grades 3-5), Starpoint Middle School (Grades 6-8), and Starpoint High School (Grades 9-12). The Principal of the Fricano Primary building (K-2) will also use the District-Wide Aggregate Math and ELA MGP. After the District-Wide Aggregate Math and ELA Adjusted MGP is identified, the attached conversion chart found in 8.3 will be used to convert the Adjusted MGP to a score from 0-20 and a HEDI rating.

**8.3) Conversion Chart**

Please upload an attachment, as applicable to the selected option(s).

- For option (A1), option (A2), or option (A3), please upload a chart demonstrating how the second growth score chosen will be converted to a HEDI score from 0-20.
- For option (B1) or option (B2), please upload the chart provided by the assessment provider to demonstrate how the growth model translates to a HEDI score from 0-20.

**8.4) Assurances**

Please check all of the boxes below.

- Assure that scores and ratings for the Optional student performance subcomponent, where a State-designed supplemental assessment is used, will be calculated in the manner specified by the assessment provider through the RFQ process.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and parameters specified in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that all Optional Student Performance measures for a principal are different than any measures used for the Required Student Performance subcomponent.
- Assure that the same locally selected measures of student growth are used across all buildings with the same grade configuration or program in district/BOCES to the extent practicable.
- Assure that during the 2016-17 through 2018-19 school years, if a second State-provided growth score (options A1, A2, or A3) is selected as a measure in the Optional subcomponent of the Student Performance category, such measure will be used for advisory purposes only and will not be used for the purpose of calculating transition scores and ratings.

### 9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

- Individual sub-domains will be rated as Highly Effective (4 points), Effective (3 points), Developing (2 points), or Ineffective (1 points)
  - Individual sub-domains ratings will be averaged to provide an overall domain score for each of the 6 domains
  - only observable components of sub-domains will be rated
  - the domain score will be averaged from sub-domain ratings and then weighted as detailed below:
- Summative Rubric Domain Weightings:
- Domain 1: 15%
  - Domain 2: 35%
  - Domain 3: 35%
  - Domain 4: 5%
  - Domain 5: 5%
  - Domain 6: 5%

### 9.4) Calculating School Visit Ratings

#### Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**

**11.4 Appeals Process for Principals**

Starpoint Central School Starpoint District

Principal APPR 3012-d Appeal Process

**CHALLENGES IN AN APPEAL:**

Appeals are limited to those identified by Education Law §3012-d, as follows:

- (1) The substance of the annual professional performance review (APPR);
- (2) The Starpoint School Starpoint CSD's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d and Subpart 30-3 of Commissioner's regulations;
- (3) The adherence to Commissioner's Regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law §3012-d; and
- (4) the school district's or board of cooperative educational services' issuance and/or implementation of the terms of the principal improvement plan under Education Law §3012-d.

**RATINGS THAT MAY BE APPEALED:**

Appeals of annual professional performance reviews may be brought for ineffective and developing or any rating tied to compensation. An appeal may only be initiated once a principal receives the overall composite rating.

**PROHIBITION AGAINST MORE THAN ONE APPEAL**

A principal may not file multiple appeals regarding the same APPR or PIP. A principal may file an appeal on his/her APPR as well as a separate appeal on the issuance of the PIP based on that APPR. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.

**BURDEN OF PROOF**

In an appeal, the principal has the burden of demonstrating a legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.

**TIME FRAME FOR FILING APPEAL**

All appeals shall be filed in writing. The act of mailing the appeal shall constitute filing. An appeal of a performance review must be filed to the Starpoint CSD Superintendent within fifteen (15) business days of the date when the principal receives their final and complete annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, appeals must be filed within fifteen (15) business days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the Starpoint CSD to implement any component of the plan. At the time the principal submits his/her appeal, he/she shall inform the Superintendent as to whether he/she wants to proceed with the Phase One process, or go directly to the Phase Two appeals process.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time in which to appeal may be granted by the Starpoint CSD Superintendent upon written request. Any extension of these timeframes will be timely and expeditious in accordance with Education Law 3012-d.

When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the Starpoint CSD upon written request for same. The principal must submit the APPR and/or improvement plan being challenged with their appeal.

**TIMEFRAME FOR STARPOINT DISTRICT RESPONSE**

Within fifteen (15) business days of receipt of an appeal, the Starpoint CSD must submit a written response to the appeal. The response must include the original APPR or PIP as well as any additional information deemed appropriate by the Superintendent. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the Starpoint CSD in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school Starpoint CSD, and all additional information submitted with the response, at the same time the school Starpoint CSD files its response. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

**DECISION PROCESS FOR APPEAL****PHASE ONE: Board of Education**

-Principal has the option to utilize Phase One or go directly to Phase Two, therefore bypassing the Phase One option.

Within (5) business days after submitting the District's response to a principal's appeal, the Superintendent shall schedule an executive

session meeting of the Board of Education. This executive session meeting shall take place within one month of the filing to the District's response to the principal's appeal. The Board of Education shall review the Principal's appeal as well as the District's response. During the executive session, the principal and the superintendent shall have the opportunity to separately discuss their appeal/response and answer any relevant questions from the Board of Education. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se.

In the executive session, the administrator shall have the opportunity to discuss the evaluation with the Board and provide any evidence to support that the specific evaluation in question was unfair, biased or that it does not adequately assess or represent the administrative abilities of the administrator. The Board shall have the duty to ensure that the Superintendent's evaluation of the administrator and/or related administrative assistance plans for the administrator were based solely on the lack of administrative performance by the administrator and not other factors associated with his/her administrative position in the school district.

Within ten (10) business days of the conclusion of the appeal meeting, the Board of Education, via majority vote, shall issue a decision in writing whether to reject or sustain the principal's appeal. The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. If the appeal is sustained, the Board of Education shall set aside a rating if it has been affected by error or defect, modify a rating if it is affected by error of defect, or order a new evaluation if procedures have been violated. A copy of the decision shall be provided to the principal and the Starpoint CSD Superintendent.

The district assures that all appeals steps within PHASE ONE will be completed and a decision will be rendered in a timely and expeditious manner.

**PHASE TWO: Appeals Panel**

If an appeal is rejected, the Principal shall re-submit the appeal in writing to the Starpoint CSD superintendent within ten (10) business days of the Phase One rejection. Within (5) business days after receiving the principal's Phase Two appeal, the Superintendent shall have a meeting with the Principal and his/her union representative to form an appeals panel.

If the principal is bypassing the Phase One process, within (5) business days after submitting the District's response to a principal's original appeal, the Superintendent shall have a meeting with the Principal and his/her union representative to form an appeals panel.

**Members of the Appeals Panel:**

One member will be selected by the principal. One member will be selected by the Superintendent (the superintendent may not sit on the panel). The third member will be mutually agreed upon by the Superintendent and the Principal/SPPA. The third member chosen shall demonstrate adequate knowledge of the APPR process in New York State. In addition, the third member may or may not work for the Starpoint CSD.

The parties agree that:

- a. The hearing panel shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing panel is selected. The hearing shall be conducted in no more than 2 business days unless extenuating circumstances are present and the majority of the panel members agree.
- b. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se.
