Dear Ms. Cunningham,

Thank you for your letter dated May 21, 2010. My staff enjoyed meeting with Mr. Reilly and their thought-provoking discussion of ARRA. We appreciate his assistance as well as his high degree of professionalism.

We agree with your recommendations to ensure that ARRA Education Stabilization funds are being used as intended. Every effort will be made by my staff to comply with the comments and recommendations outlined in your letter. Both the District Treasurer and Business Consultant will work together to make sure that the Elmont UFSD is in full compliance with current and future ARRA funding regulations and reporting.

Again, thank you for your assistance. We wish to have open lines of communication with you and your staff. Please let me know if there is anything we can do.

Sincerely,

Al Harper
Superintendent of Schools
