Dear Ms. Cunningham:

Thank you for your comments and recommendations regarding our reporting and application of ARRA funds that were awarded to the North Babylon School District for the period covering July 1, 2009 to June 30, 2010. We are in agreement with your findings and are pleased to acknowledge that our reporting, monitoring and proof of the necessary documentation was satisfactory, based on your review.

We also agree and understand that the District is required to obtain job estimates from vendors with whom we contract for the provision of goods and services and that we should include these estimates in our quarterly submission.

We will implement this requirement beginning with our next quarterly submission. We wish to thank Mr. Matthew Reilly for his professionalism during his review of our ARRA funding process. If you have any further questions or comments please contact me at 631-321-3216.

Sincerely,

A handwritten signature in cursive script that reads "Robert Aloise, Ed.D.".
